Chair Rose: [sgaors@ucf.edu](mailto:sgaors@ucf.edu)

1. General Information
  - a. [08/27/24 CRT Minutes](#)
  - b. Spent \$1,180.70 / \$1,500.00 (21% reversion)
  - c. Statutes recommend 15% sanction
  - d. [Supporting Documents](#)
2. Speech
  - a. RSO (should be present): Due to Hurricane Milton, part of the conference was cancelled. They then refunded us as a courtesy. That explains the discrepancy
3. Questioning
  - a. Collazo: Can you share the refund with us
  - b. RSO: Yes I'll send an email
  - c. Hendry: For clarification, it was CRT funds that didn't get spent?
  - d. RSO: Yes. We also combined funds with the college of Engineering to fully fund the trip
  - e. Collazo: Can you also send any emails you have in regards to the communication between college of engineering and CRT
  - f. RSO: Yes
  - g. Hendry: Why was the refund taken out of CRT funds and don't the College of Engineering funds
  - h. RSO: Unknown. Probably a financial thing in the background
4. Debate
  - a. Collazo: I would need to see the email with the refund and communications before I can say yes or no to sanctions. My only question is why CRT funds were not used considering that engineering funds were so they needed money obviously
  - b. Hendry: I believe they received the refund after the trip and the accountant refunded CRT, not College of Engineering
  - c. Collazo: Upon seeing the docs the refunded is the exact amount that is missing so I won't be voting for a sanction
  - d. Varela: Motion for a 0% sanction
5. Vote
  - a. 5-0-0 NOT SANCTIONED
- 6.

- ii. CRT 56-142 (Christina Watkins)
  - 1. General Information
    - a. [09/10/24 CRT Minutes](#)
    - b. Spent \$531.96 / \$700.00 (24% reversion)
    - c. Statutes recommend 15% sanction
    - d. [Supporting Documents](#)
  - 2. Speech
    - a. Rose: Phong said the flight just ended up being cheaper than projected (receipt in supporting documents). The individual was not able to attend ORS today due to PhD applications. They forwarded me an email they sent to the accountants; it's in documents. We can ask them to come in another time if we need.
    - b. From their email: "I believe more than the expense you have stated was spent but, in all honesty, I do not know. I had a lot of problems booking everything with SGA for various reasons (individuals being out of office, two hurricanes, being told I wasn't able to be reimbursed, being told I could be reimbursed, SGA being unable to pay only a portion of my lodging), so I relied primarily on the funds I received from the biology department."
  - 3. Questioning
    - a. Varela: Why could she not make up the difference considering the flight went down before the trip, not after
    - b. Rose: All money was already allocated, nothing left to spend money on
  - 4. Debate
    - a. Rose: If we decide to vote to sanction we should wait until they are here
    - b. Collazo: We should not sanction because the flight happened to lower, it's not their fault
    - c. Hendry: I agree with the sentiments just spoken and reading the email send to us it seems Phong was there when they bought the plane ticket
    - d. Varela: Motion for 0% sanction

5. Vote
  - a. 5-0-0 NOT SANCTIONED
- iii. CRT 56-184 (Alondra Alfonso)
  1. General Information
    - a. [09/19/24 CRT Minutes](#)
    - b. Spent \$143.24 of \$199.45 (28% reversion)
    - c. Statutes recommend 15% sanction
  2. Speech
    - a. Individual may be able to attend on zoom.
    - b. From their email: "The funding was for Lightbox tickets, specifically the three-day pass which was \$199.45. However, at the time of purchase this ticket type was sold out unexpectedly. Hence, I had to purchase tickets for 2 days rather than all three days of the event. So, the total costs came to \$143.24 instead."
  3. Questioning
    - a. Varela: MTD
  4. Debate
    - a. Varela: This is fair, they wanted to buy teh more expensive ticket but in the time it took to process that ticket as sold out so they had to buy a cheaper one.
    - b. Collazo: Motion for 0\$ sanction
  5. Vote
    - a. 5-0-0 NOT SANCTIONED
- b. Verification of Purchases Forms
  - i. SB 56-013 (National Society of Black Engineers)
