      - 1. Speech:
        - a. Collazo: The M&V caucus is submitting this proclamation to recognize purple heart day. Nationally recognized holiday. Missed this last year. Introducing it because UCF recieved a purple heart status for this upcoming year. One of the only universities with this distiction because of our work for military and veteran students. MVSS hold a ceremony for this. They are going to read this proclamation during the ceremony. Very important to recognize service members who have been injured. Spoke with another SG president and they were trying to get purple heart parking like we have at millican hall. Thankful for our senate to pass this proclamation and support this community and recognize the status we have as a university. Thank you!
