- i. [Resolution 56-11](#) [Resolution Advocating to Make Juneteenth a UCF Holiday] [Black Caucus]
 1. Speech (5):
 - a. Johnson: Sorry I can't be there; I have a conference going on right now. Black caucus has written this resolution for the past 3 sessions, this one is updated with new data and information, all students who took the poll, and wanted to support are the ones that are sponsoring. The difference between these ones is that this one is calling for the provost to do something specific instead of something broad, taking it a step closer. Not everyone celebrates this holiday as my family does, but it is still important for us to recognize it, and making sure people can celebrate, having classes suspended, not having school be closed, because that wouldn't allow employees who work hourly to get pay. Got over 600 submissions on the poll. Will motion/petition to see it on second and third this Thursday if it passes SBA. Open to questions.
 2. Questioning (5):
 - a. Hendry: Second to last whereas clause, having university to suspend classes, is wording too soft? It's not making a request using that working
 - i. Metellus: I don't think it is too soft, in my opinion. It shows other schools are doing this. University holidays, classes are suspended.
 3. Debate (5):
 - a. Courts: See my amendments as technical.
