 - a. Metellus: Had a meeting with Johnson this weekend over this. We talked about it being civil discourse open talk with a speaker, including performances, RSO tabling, block party afterwards, and advertising to the community. We also talked about getting the SBP's support and talk with SBP's from other schools, emailed President Lister and haven't received email back but I will follow up on this. Have decided to wait for President Lister's approval before going to other schools as it would be a little strange. Johnson said that she will research how other schools are handling Juneteenth.
