5. Open Forum.
  - a. Senator Greene: Good morning y'all, this was something that was brought to my attention. Spoke to Senator Johnson and Chair Metellus about this, but the Haitian Chamber of Commerce was hosting an informational session explaining to Haitians who may be scared about their rights in regards to ICE. I was wondering if Black Caucus would be interested in writing this crucial information in English and Haitian Kreyol.
  - b. Metellus: We talked about this earlier this week, we can try to have this information presented in Haitian Kreyol. It might be easier for some of our constituents to read
  - c. Rickett: What is the message that we're trying to send here? Are we trying to support Haitians here or be inclusive?

- f. Metellus: Should we make this an initiative or a proclamation?
