8. Announcements from Caucus Members:
  - a. Vasquez: Hi all! Happy pi day! I just wanted to share some details about the hunger and homelessness awareness donation drive, I work on through SBA. I've inquired with my contacts at Rosen and Downtown Life, about going there to table and promote the event, collect donations, and interact with students on those campuses as a whole. Downtown Life is having their week of service that week of March 24<sup>th</sup>, and they are finding a date for us to go out there. Rosen Life has a busy week then too, but they are able to accommodate us for March 27<sup>th</sup> before 3PM, I will be available to go then, would love anyone from the caucus to come join me that date, send me a message if you can!
    - i. Varela: I can go to Rosen.
    - ii. Grosso: I can also go to Rosen
  - b. Greene: Regarding the meeting with VP, it was conducted in response to a student concern from the eboard member from one of the nursing associations. She was concerned about setting up shuttle transport to service those campuses, which

would entail a high cost. In the discussion with Varela and VP, there were alternatives that were discussed. I followed up with my constituent regarding the alternatives, but she expressed concerns about the practicality of the alternatives. Ex. Finding Lyft driver even with a further discount, toll relief not being significantly helpful. That will be a larger discussion with other nursing associations.

i. Varela: Was your constituent open to the stipend idea?

ii. Greene: She was open to that idea but was concerned about what the qualifying criteria for the stipend would actually be.

iii. Varela: I know the nursing college could potentially help with the funding. Would that be something you could look into?

iv. Greene: It hasn't been discussed yet.

c. Beneche: Women's caucus, LBTQ caucus, and Black caucus are doing a sexual health bingo on my birthday (the 28th), but I was wondering if any of you guys were interested in going; just let me know.
