  - Good evening, everyone. Thank you to Speaker Courts, Senate leadership, and all of you senators for spending your Monday evening here, I really appreciate it! Nothing from me, see you all on Thursday and best of luck to the remaining appointees.
- € **Announcements from the Interim Chief Justice (, [sga\\_cjus@ucf.edu](mailto:sga_cjus@ucf.edu))**
  - Hello Senate.
  - Justice Appointees this week. Quick note about that.
  - I would like to take a moment to clarify an important point that some people may not be aware of. The services provided by the Judicial Council, specifically those related to Student Conduct and Academic Integrity (SCAI) advising and grade appeals, are subject to strict privacy regulations under the Family Educational Rights and Privacy Act (FERPA). As such, Justices are not permitted to receive training or participate in these services until they have been officially confirmed and subsequently trained by the SCAI administrators. With the upcoming confirmations of Associate Justices, I want to ensure that everyone understands this protocol. While the appointees have been thoroughly briefed on the external aspects of both processes, they have not yet had the opportunity to observe or participate in actual advising sessions. I hope this provides some clarity regarding our procedures and the safeguards in place.
  - Best of luck to all the confirmations today.
- € **Announcements from the Senate President ((Kirsten Courts, [sga\\_spkr@ucf.edu](mailto:sga_spkr@ucf.edu))**
  - Hello everyone! Let's all be as quick and efficient as possible. I am going to up the limit from 2 questions per person to 3, but I'm being strict with that.
  - There were many bills enacted today, and a lot of them alter our current practices. Make sure that you all, especially branch heads and committee chairs, are doing your due diligence and seeing what they mean for your branch/committee.
  - We will begin Judicial confirmations this Thursday. Please make sure to read over Title V and the JRP (both are on the SG website) in preparation for this.
  - Me and Pro Temp Hameed have our intro meeting with UCFPD Chief Carl Metzger Thursday; besides that, nothing else that needs to be said now. If you look at the agenda, you will see that I cut out most of the announcements and any notices of legislation. With luck we should get out of here quickly.

  - Hello everyone! I hope you're all having a great night.
  - Non-compliances for financial training have been sent out. They have been sent your senate and personal emails. I sent the link to sign up for the financial training in the email so please send me proof that you have completed it as soon as possible. You also need to make sure you have passed all the modules. If you did not pass a module then it does not count.
  - Please sign up for orientation. I'm giving you all until this Thursday before issuing a non-compliance. If you attended one day, you have the option to not attend an orientation with me, but you have to email me back saying that.
  - If you want to submit legislation to be remanded, please email it to the DLEG and myself through email.
- € **Deputy Pro Tempore of Legislative Affairs Report (Ryan Kaufman, [sga\\_dleg@ucf.edu](mailto:sga_dleg@ucf.edu))**
  - Good evening everyone, and thank you all for confirming me last Thursday!
  - I met with Senate Fiscal Leadership earlier today to discuss the upcoming fiscal year and updated the fiscal bill forms to match the newly enacted Internal Bills from last session.
  - I'm happy to announce that all our funding forms are officially open for the 2025-2026 fiscal year!
  - As Pro Temp Hameed mentioned, please submit legislation by emailing both him and me. If you are wondering how to get started writing legislation or have any questions, don't hesitate to reach out.
- € **Deputy Pro Tempore of Senate Relations Report (James Kapinos, [sgadsr@ucf.edu](mailto:sgadsr@ucf.edu))**
  - Good evening, everyone, I just wanted to say how excited I am to be your new DSR for the 57<sup>th</sup> Session!
  - I will be sending out some forms concerning which RSO's each senator would like to represent as well as a form asking for feedback in what events you would all like to see for the Summer Session
  - If you have any concerns or questions about forms, RSO connections, or events in the future, please don't hesitate to contact me. My email is always open!
