3. Announcements from the Chair-
 - a. I'm sure some of you know. People talking about the difficult the learning curve is, so as leadership please ensure Senate is a fun and welcoming environment. I know we are all trying but I wanted to share feedback I'm hearing. Ice breakers can do this. Don't cold call but ensure participation so everyone feels welcome.
 - b. ILA Haleema sent out a form about website updates to your leadership email. Please discuss updates with your VC and the rest of the committee.
4. Announcements from the Vice Chair-
 - a. None
5. Announcements from Committee Members-
 - a. Hameed: Me and Chair Vasquez are hosting a legislation writing workshop specifically for SBA Resolutions and GAP Proclamations. Will be sending out a when2meet in my Senate announcement. Encourage you all to also send it out to your committee members so new senators have the chance to learn and will hopefully plan a more robust one in the Fall.
 - b. Vasquez: Really good idea and we're seeing a lot of legislation on the floor the whole session. Just a couple minutes ago we spoke to a new senator who didn't truly understand legislation. It's not just about learning to create legislation but understanding what you are reading on the floor.
6. Announcements from Non-Committee Members-

 - d. Motion for S-Q-D:
 - i. Speech
 - 1. Nadav: 5-30, I am appealing the decision because I was unable to attend LJR due to work. So I couldn't explain my side. Chair Courts said it was declined due to lack of evidence, which I have now provided. At the airport. Drove there around 530 and got back after 9, making me absent at both the initial and final roll call. Now have more evidence so hoping for approval. Sent pictures of me being there. Want to come to LJR next time, so will try to take a lunch break to explain myself. Did that today and it worked!
 - ii. Questions:
 - 1. Hameed: Chair Courts was the main reason being the lack of evidence or the reason?
 - 2. Chair Courts: Lack of evidence.
 - 3. Varela: Why were you at the airport?
 - 4. Nadav: For pre-check so i could skip the line on 6-2.
 - 5. Hameed: With provided evidence, no date, is there anyway to show date from texts?
 - 6. Nadav: yeah that's why I asked if I should ask a person I was with to send an email backing me up. I received no documentation with dates, all I have is that picture. The only thing i can provide is an email from my dad.
 - 7. Courts: Speaker Pohlman, what absence are we looking at?
 - 8. Speaker: 5-30, the airport one.
 - 9. Hameed: Did TSA give you a range or a specific date?
 - 10. Nadav: I just went in. No specific date.

11. Rose: for the picture, is there a time stamp?
12. Nadav: When I sent it, the date was on it, I don't know if the document still has it? The document was saved as JPEG date.
13. Vasquez: What prevented you from submitting evidence until now?
14. Nadav: I was used to last semester when evidence was not needed. Seems as if this semester is different and requires evidence. I guess the evidence I did provide was not enough.
15. Varela: MCO?
16. Nadav: What is MCO? I was at Ft. Lauderdale
17. Courts: Clarifying that the image does say 5-30 in what was sent in outlook.
18. Rose: Courts, can you open the meta data of the file, because it may say the time.
19. Courts: METADATA? Says image 2024 5-30, 6:07pm.
20. Hameed: Rose just to clarify does metadata show what was sent to Courts not when pic was taken? Pretty sure it shows when the picture was screenshotted
21. Nadav: I sent the picture a couple of days ago, not 5-30.
22. Larsen: Point of information it wouldn't be the date that it was sent to Courts it would be the date Nadav took the photo.

iii. Debate:

1. Varela: I'm not sure of metadata, but if you look at the pic you see the pic showing the swimming Olympic trials, making it support that it was taken on 5-30. Voting in favor. Seems like it all makes sense. Sike voting no to overturn the decision. Weird situation. Nadav seems like hes been nice and respectful.
2. Courts: Voting to overturn. Commend Nadav in sending evidence. Surprised that LJR wanted evidence.
3. Larsen: Bro forgot about me. In my opinion, committee should have postponed until more data. Weird that they didn't and fundamentally disagree with it, so will be voting no.

iv. Vote: 12-0-0, **LJR Decision Overturned**

e. Motion for S-Q-D

i. Speech

1. Nadav: June 4, similar to June 6 which was approved today in LJR. Couldn't make initial role call due to meetings at work. From 5pm we

have a team meeting that usually lasts to 6:30. Senate starts at 6, so I couldn't make initial roll call. Unclear of whether evidence was not used in LJR or something. Sent more evidence to courts this time. Also couldn't make it to LJR that time so I couldn't explain why I missed the meeting. Today I took a lunch break for June 6 which is for the same reason and it was approved because I showed evidence. June 6 is same as June 4, so I think this should be overturned. I will also come to LJR to explain. Maybe I should do a blanket excuse, so it's a onetime excuse for all of my absences, because I will have this company meeting till Aug 9. I also have meetings at 9 for my company because we have employees in Korea. Sent evidence. Go to the meeting a little beforehand (8:45). Meeting is on Gather. Provided evidence from boss. So I was unable to make the final roll call.

ii. Question:

1. Varela: You had a meeting at 5:30 to 6:30 and another at 9pm? Meeting from 5-6:30 then 9? Why couldn't you submit evidence for the original meeting?
2. Nadav: Yes. I don't know about the second question.

iii. Debate:

1. Varela: Voting no to overturn the decision. I feel like the situation is weird but the timeline works, make sense to me.

iv. Vote: 13-0-0, **LJR Decision Overturned**
