4. Approval of the Agenda:
 - a. Approved by GC
5. Announcements from the Chair-
 - a. Hi everyone! I hope everyone had a wonderful weekend. Today we're going over some tabling ideas including dates and locations. We're also going to give project updates. If you don't have an update, that's okay, though you should keep us updated on what you've been doing. Give time to those you email (1-2 weeks). Oh and another super important thing: y'all are doing great!
6. Announcements from the Vice Chair-
 - a. None.
7. Announcements from Committee Members-
 - a. Hameed: Pick up your polo!
 - b. Leon: I reached out to Rick Falco and Aramark to discuss my resolution.
8. Announcements from Non-Committee Members-
 - a. None.
9. Old Business-
 - a. None.
10. New Business-
 - a. Tabling
 - i. Locations:
 1. Ali: Memory mall and SU atrium. The outcome was positive, with lots of traffic.
 2. Leon: SU atrium; outside can get a bit hot and the weather is a factor.
 3. D. Smith: Outside SU gets hot so inside the atrium would be good. I tabled at downtown and the best place to table is between two buildings of the DPAC, lots of traffic. Outside is also a good option.
 4. Faucette: Tabled with PLC at different events in SU ballrooms. For Rosen it would be good when events happen since a lot of people go to the walkway/plaza area. The student lounge has tabling events as well.
 5. Hameed: For Rosen, people go there when they have events and any space outside where the main gates/plaza area is, got the most traffic. Rosen is changing the way they do tabling, they will have less events

that we can table at. Looking for specific dates for us to go and table. Tuesday and Thursday may be the busiest since that's how it is on main campus, maybe not Wednesday or Thursday because of Market Wednesday and Senate, respectively.

ii. Dates:

1. Hameed: Last session, SBA tabled twice at Rosen.
2. D. Smith: We can table after the start of classes, then space out to middle or end of semester.
3. Hameed: Not during SG welcome week,
4. Teodorescu: First or second week of September?
5. D. Smith: I think it's a good idea
6. Hameed: First week of September table on main campus, and then the following week or two, table at Rosen.
7. Teodorescu: I'll send out a when2meet for everyone to fill out about Fall schedule for those weeks specifically.
8. Faucette: First week of November, after midterms and before finals, get creative with themes to promote traffic. Tuesday, Wednesday, and Thursday from 12-1 is the busiest time at Rosen, good traffic.

b. Project Updates:

i. Teodorescu: Multilingual kiosks

1. I am meeting with the district manager from Aramark, which is from dining services, on Wednesday. It'll be an introductory meeting, but I will also be bringing up this initiative as well as the one I discussed with the Diversity and Inclusion coordinator.

ii. Perez: Rosen tabling

iii. Chau: Braille for those with visual impairments in bathrooms

1. I recently messaged Daisy (or the Vice-Chair for the Disability Caucus in the 56th session) if my initiative was a good idea. Once I do receive some feedback/critiques/or more information, I will let you know. I will go ahead and email Dr. Adam Meyers from Student Accessibility Services to present my ideas to him to see if there are any other changes I should make. I also will probably email another service to see how many restrooms there are around main campus and the other campuses!

iv. O. Smith: Career services accessibility
