in the conclusions. Speaker Custis also did not see the questions ahead of time, unsure about Brodie.

- b. LGBTQ+ Caucus Leadership
 - i. Opinion about leadership positions transferring. Opinion describes being removed. Will request an official opinion about the specific situation and whether LGBTQ+ Caucus will have to elect a new chair.
- c. Hall: So basically what was confidential is not anymore?
 - i. Custis: Yes, the interviews are no longer confidential
- d. Yalamanchili: Did the caucus meetings that have been held count as valid? Do I need to be reappointed to my committees and caucuses?
 - i. Reappointment was not necessary based on precedent. Will not retroactively decide meetings are not valid. Will discuss further based on opinion decision
- e. Anderson: Where was the miscommunication? What will be happening now as far as the investigation?
 - i. Only knew that the investigation was happening and who the allegations were against. Did not realize confidentiality was promised when requested the email. Don't have written findings, not my office. Would like to have the full conversation with Pro Temp Ciresi here, but could not wait this long.
- f. Anderson: Will Wangen be looped into this?
 - i. Not sure of Pro Temp Ciresi's intention, will make sure to loop DLeg into this.
- g. Guel: Were the meetings with the Pro Temp recorded?
 - i. Yes, on the recording, you can hear the other person agree to it
- 6. Announcements from the Vice Chair-
 - a. None
- 7. Announcements from Committee Members-
 - a. Chair Saucedo: Collaboration amongst APIA, Black, and Hispanic/Latinx Caucuses for Minority Mental Health Awareness Month being led by Chair Guel. Please let the chairs know if you would like to be part of this conversation regarding hosting an event!
 - b. Vice-Chair Almenar: The gun reform poll has had a good amount of traction in this past week and after discussions with other senators it will be ending tomorrow night Friday July 1st.
 - i. Brodie: Please don't collect identifying information like ID numbers with this sort of survey!

- ii. Almenar: Did the IDs to not collect personal info like emails, trying to make sure people aren't filling it out repeatedly.
 - c. ELA Galloway: Send me updates to the website for caucuses and committees!!
Missing a lot of information for basically all the committees.
 - i. SBA missing concern form
 - ii. Missing/outdated FAQs
 - iii. Check your caucus/committee info on the website and get it updated/figure out what you want added. Services, links, forms, PDFs
 - iv. Custis: Will send all contact info and times that caucuses/committees are meeting to Galloway
 - v. Temple: Believe ORS sent an email to Galloway
 - 1. Galloway: Didn't see that, will check again
 - d. McClellan: Investigation stuff is unsettling. Submitted public records request for E&A. Do plan to share anything he got with Senate. Concerned about the amount of communication during both a no-confidence and confirmations.
- 8. Announcements from Non-Committee Members-
 - a.
- 9. Old Business-
 - a.
- 10. New Business-
 - a.
- 11. Member Discussion-
 - a. Borges: SG Instagram post. Information was incorrect, have spoken to Director Turner, would like to discuss how we can make sure we fix this issue in the future
 - i. Anderson: Have discussed a Senate instagram, doesn't really seem possible
 - ii. Hall: Were the issues brought forward publicly or privately?
 - 1. Borges: Publicly, as a student
 - 2. Hall: Think that is inappropriate, should bring these forward privately rather than causing public issues
 - iii. Guel: Would love a Senate instagram page, if not possible, should potentially have all Senate posts go through the Speaker's Office to check. Agrees that we should handle these issues privately. Have the ELA work with comms.
 - iv. Galloway: Director Turner and I meet biweekly, go over what we're working on. Meet weekly if we have information to share. Meeting tomorrow, will bring these issues up, was not aware of this post

- v. Borges: Just as ELA Galloway just explained, I did also speak to Speaker Custis and neither of them were contacted or knew it was going to be posted. When it comes to my comment, that is me as a student and my concerns. I did not comment through an official account, and I have every right as a student to comment what I want (to an extent). In addition, I should not have to go and correct the director on information if she did not contact us about it beforehand, if she had communicated this issue there would be no comment. I also deleted it upon her request.
- vi. Saucedo: Think it's important to potentially have a Senate instagram, Exec is clearly favored. Would like something like what Chair Holmes currently does on her own.
- vii. Custis: 52nd discussed a Senate instagram. Ended up going with Senate Round-Up that described what happened in Senate. Not sure if that already happens
- viii. Tache: Disagrees about having our own instagram. If we just had a healthy relationship with Exec and Comms, we would be able to post
- ix. Galloway: Session in the past did make a Legislative Branch instagram. Got in a lot of trouble for the Senate instagram. Tache is correct. Made a flyer that has the link for the request forms that is in the Google Drive if you want something posted/your event promoted. All in one place. Turner is short-staffed right now with it just being her. SG Scoop used to be the ELA's thing. Didn't like it very much, kind of just sat in everyone's inboxes. Plans to create a newsroom page on the SG website that covers the highlights of every branch. Working on that currently.
 - 1. Custis: On the website, not social media?
 - a. Galloway: Yes
- x. Almenar: Could we potentially have leadership discuss what we want posted and send it as a branch rather than spamming Turner?
 - 1. Galloway: That is the way she wants it done now
- xi. Borges: I wanted to voice my support of ELA Galloway's idea, and want to also say how I do like the request form and you guys should totally look at it. In addition to all of this, questions regarding accessibility for disabled students were asked during her confirmation, and then a few of the posts directly after were very inaccessible in my opinion. I completely understand how she doesn't have two members of her communications team, and I do not hold this against her, I just want us to make sure we can prevent these issues in the future. We are the Senate Executive Committee, and we need

to prevent these issues, which include but are not limited to misinformation and accessibility.

12. Advisors' Report:

a. Brodie:

- i. Hope you've been filling out your paper timesheet. Fill out what you work tonight and then leave it with me
 1. Borges: Putting in Senate tonight?
 - a. Yes
 2. Guel: Can I drop it off tomorrow?
 - a. Yes, or you can send a picture
- ii. Tomorrow, we'll be using Workday. It is geofenced. There should be another quicklink on myUCF. Can also use the Workday app. At the end of each period, you will all submit your timesheets, which we'll experience next week. App only shows enter/scan your organization id today. Don't have it yet, you'll get it tomorrow hopefully. You can look around in it tomorrow. That's how this will work going forward. Have to submit your timesheet by noon on Friday after the Thursday's last shift, please submit after Senate
 1. Galloway: Difference between Workday and another app on the App Store?
 - a. Don't know, download just Workday
 - b. Custis: The second one is the customer experience center

b. Jax: SG is really bad at time, always has been. Macrina and I will no longer be doing this, if you miss a punch/swipe, no idea how long it'll take to correct it. Make sure to pay attention to the end of the pay period. Not going to have someone to hunt you down to fix this. If you miss it, you miss it. No idea how long it would take to fix it. Be super diligent please! If you have multiple positions, you should be able to see which one you are clocking in/out for. Cannot guarantee same flexibility and safety net as before.

- i. Custis: Everything's changing, stay on top of your hours!
