- i. Nominations
  - 1. Katrina Wangen
- ii. Speeches:
  - 1. Experience: ORS Chair and works with statutes, has been on budget committee, senate special session, loves working with the budget, works with agencies (KORT director). Goals: increasing minimum wage, work with the business office on how we need to update the budget packet, ask every entity to cut 5% of their budget, ensure that there is student input, we use student funds and make sure students have a voice when making these decisions (use of surveys to the student body), has a tentative timeline
- iii. Questioning:
  - 1. What are your plans as chair with differences with the legislative and executive branch?
    - a. 5% budget cuts should help. SG budget lines are smaller than other entity budget lines, make sure we don't get stuck in the stuff we have the most knowledge in. Make decisions with not just exec and senate
  - 2. How do you plan to balance your workload?
    - a. Would not have run if I did not have the time to commit to this. This position and being ORS chair would be top priority.
- iv. Debate
  - 1. Temple: Has worked with Katrina for a year now. Has seen no other person better to run this committee. Admirable how much she knows and has learned. Level of dedication to sit for 20 hours of the budget committee. Will be an excellent chair. Encourage to vote for her.
  - 2. McClellan: Echo sentiments of Chair Temple. Likes the ideas for her running. Encourage them to vote in favor.
- v. Vote
  - 1. 10-0-4
- b. Vice Chair Elections
  - i. Nominations
    - 1. Chair Borges
  - ii. Speeches
    - 1. Senator for Hospitality. Double vice chair, detailed minutes. Minutes for Disability Caucus must be very exact. Comfortable chairing long meetings. \$620,000 budget, knows Robert's Rules. Attended budget hearings & special session. Easier classes, comfortable with time

commitment. Wants to be additional support. Would assist and communicate with entity one-on-ones. Reminders will be sent out. Form for emails, constant reminders. Work with SBA on surveys. Info sessions for the budget. Open to constant communication, happy to help at any point. Create a GroupMe by tonight, get us in Teams, send When2Meet, meeting room reservation.

iii. Questioning

1. Wilson: How do you anticipate to handle disagreements between branches? Balance with both Chair and Vice being Senate?
  - a. Respect between branches. Be able to sit down with everyone and hear any issues from them. Didn't look as closely into big entities as we needed to last year. Exec and Senate see so many cuts, shouldn't if we don't have to.

iv. Debate

1. Temple: Voting in favor, Borges is a fiscal head. This Chair/VC combo will be very effective, everything will get done.
