  7. Announcements from Committee Members-
    - a. Urea- LJR needs a vice chair if anyone is interested!

        1. We decided to wait based on leadership changes happening in this first week back.
    - b. Expectation for the Semester
      - i. Last semester was extremely challenging for many of us. I know that there is a lot of frustration with the Senate and some of that continues to exist even now.
      - ii. We are all on the same team here. The drama and infighting that happened last semester will not happen under me. I will do everything in my power to stamp it out should it arise.
      - iii. We need to remember that we are here to serve the Student Body and our UCF Community. The petty internal drama needs to stop and it needs to stop now.

Senate Executive Committee Meeting

- iv. If you have an issue with something or someone, speak to myself or Pro Temp Foster about it. If you feel that you cannot talk to us, speak to Brodie, Jax, Neda, or Shane. Allowing issues to fester and grow only adds to the toxic culture many have experienced.
- v. We have lost many good Senators because of our inability to handle the issues that we face. I want us all to get along and remember that we are here because we love this campus and this community.
- vi. Pro Temp Foster
  - 1. Recently I've discovered that the RSO spreadsheet has been deleted from the google drive as well as the legislation templates. I've already started working to rebuild everything we lost.
- c. Workday Issues
  - i. If you have any issues regarding Workday, please be sure to speak to Brodie to have them resolved. Get paid for the work that you do.
- d. Tabling
  - i. Going forward, please email myself and cc Pro Temp Foster if there is an event that you are interested in tabling at. We have had confusion in the past with different people signing up for tabling on SG's behalf.
  - ii. I have spoken with President Lopez and wanted to clarify that tabling is on behalf of SG as a whole.
- 11. Member Discussion-
  - a. Robbins: When will we have Fiscal Leadership meet again?
    - i. Hall: When the Dleg is confirmed they will be a part of that, and if not Pro Temp Foster will be. We can make sure you meet next week.
- 12. Advisers' Report:
  - a. Brodie: Thank you for giving me grace. Dylan touched base on a lot of things I wanted to say, and I'm very excited to work with you this semester.
  - b. Neda: Please make sure you send Brodie an outlook calendar invite to do a 1 on 1. Next two weeks I'll most likely not be at the 1 on 1s until my MCAT but after that I will be more available to meet! Also congratulations Vihan and Akhila and Ryan!
  - c. Alo: Hi! I haven't seen many of you since I got back. I've been getting committee and caucus minutes. Send them to me and CC Neda or Brodie. Please try to have your announcements done before senate. We're transitioning from name cards, but you will have two name cards next week. The microwave in the office is gross! Try to be considerate. Whoever burns the popcorn you should not be making popcorn! Please try to be considerate because Neda and I are trying to work, we don't have offices. I'm excited to work with you!
