those over first so they are ready for you. I want to make sure that we are working around your schedule and needs as best as possible, so please communicate if you have any questions or concerns about this, but we will be moving them all today or tomorrow.

- iii. Additionally, please make sure that you submit your time as soon as you finish your last shift today, and as a reminder you cannot work after 2PM.
- iv. Borges: CRT drive has been moved to teams. Does this mean I can't edit anything?
- v. Brodie: I would recommend using teams, if you have issues let me know.
- vi. Borges: Do we have any solutions in making sure students have access, is there a fix?
- vii. Brodie: Yes and no, we technically don't need to put it out there, it needs to be available upon request. For now, the links will be posted on the website.

b. Neda:

c. Alo:

13. Miscellaneous Business-

- a. Borges: We've been having issues with international students and workday, it's been taking months for them to get funding. For now we might have to stop offering funding until we find a solution.
- b. McClellan: I'm curious, in this situation could they reimburse students?
- c. Borges: Jerry D has been trying to submit the request in workday but it has been getting rejected; so it is not possible.
- d. Brodie: I hate the idea this, but if this is what you need to do, I hope you all and I will put pressure on that process to make sure this is fixed. Jerry A was told to put it in his name and write a check from his account, and allow the school to reimburse him. We need to fix this process.
- e. Hall: Shoutout to everyone who met with their mentees shout out to Yalamanchili!
