 - 1. Speech
 - a. Hi I am Madison, President of the Organization. SATO is used to educate undergrad and graduate students. Raise awareness about the profession itself. 41 active members. Community service projects done in SATO, different high school sports camps, Orlando Orthopedics. Student Symposium is an annual conference. It's for all graduate students to network with professionals. First and second year students get to learn the fundamentals of athletic training. Second year students focus on the athletic training exam (BOC Exam). The BOC exam is required for all athletic training students, and attending the conference helps to train the students for the exam. 18 members will be going for the second time. Fundraising included Orlando orthopedic center, and high school football games. Case studies are presented there, as possibilities for internships. Word of mouth spreads for students on campus. Registration is \$155 per person, 31 members. Hotel is \$191 per room, 2 nights. \$6805 total being requested.
 - 2. Questioning
 - a. Hurrell: 31 students are going, and \$155 per person.
 - i. Yes
 - b. McClellan: The one screenshot says January 16 is the deadline?
 - i. We already registered the students and withheld the payment

I am presenting on the Florida france soldiers stories, the digital history project. The mission is to teach the students who are on the project about the collision of France and Florida. Specifically, the presenters will talk about how being a student analyzes first and secondary students. We help students learn more about military history, different from what is taught in universities. We will share how we learn from trial and error, and how we will integrate it into our personal classroom. We are going to San Diego. Registration is \$119, lodging is \$189 per night. \$213 with taxes. Flights are \$500 round trip. Total comes in \$1263.
