 - a. My internship is having me work at 8:00 am on Fridays starting two weeks from now. This internship is nearly an hour away, which means that I would have to wake up at 6:00 am to ensure I am on time. With this, I need 8 hours of sleep, meaning that staying at Senate until midnight is not a possibility for me - I would like to get adequate sleep for my physical and mental health and performance at my internship. That being said, I would need to leave Senate at 10:00 pm (I'm sure some days I'll stay till midnight anyway, though, as I get very into what we're doing). Please see attached for confirmation of my internship. I cannot provide a schedule as it includes meetings I have to be in, and I am under an NDA, so I'm unable to share that information. Because this is not an academic reason, I will have to submit this every week, so I apologize for how many of these you will get. Additionally, I know other Senators have been approved for this exact reason, so please keep that in mind during the meeting, as I will be working during LJR and cannot attend. Feel free to reach out to me with any questions, though!

In reference to the email provided as evidence, once she sent me her availability, I was no longer available for Monday. And was able to do Tuesday, Wednesday, and Thursday for the week.
