## 1. Speech

- a. Drew is attending the Space Vision 2022 Conference in Chicago, Illinois, from November 10th, 2022, to November 13th, 2022.

This conference will allow Drew to get a shoe in the door for networking opportunities and to meet industry professionals. As a second-year aerospace engineer, he is looking into internship opportunities and wants to see the ones available at this conference, in which peers have said this conference is a great opportunity for that. He doesn't expect to get a job out of this first conference, but he hopes to get his name out there. He said it would be an amazing learning experience.

Drew is financially trained and has sent me proof, understands the post-funding process after I explained it, is an undergraduate student, and is not an international student. For everything we cannot fund he will pay out of pocket.

## 2. Questioning

- a. Hurrell: Why is the start date in red?
- b. Chair: has to approve tonight
- c. Shelleh: why did you not request lodging or registration?
- d. Chair: originally though he could use SEDS funds from bill, knows he will be by himself

## 3. Debate

- a. Shelleh: approved other students for same conference, voting in favor
- b. Hurrell: echos sentiments of Shelleh

## 4. Vote

- a. 7-0-0, approved

## ii. [54-157](#) (Avery Reyna)

### 1. Speech

- a. Didn't show up Monday, never emailed me back after I sent two invitations (one for last week's meeting and one for this week's). His request is out of timeline if he does not show up.
