- i. Guel: would love to work on this, is there a timeline?
 - ii. DLeg: not yet, waiting on speaker hall to set a date. But it is getting started next week.
- 9. Old Business-
 - a. [Internal Bill 54-17](#)
 - i. Speech: Was originally introduced by Tyler. He wanted to PPI it but we don't want that so we are taking it on. We are not running late on the timeline, its updating wordage and updating Election commissions work to be working more side by side with the EC. It makes things a bit easier for us.
 - ii. Question
 - 1. Almenar: Are you now the sponsor of the bill or is the committee taking it up.
 - a. Needs to speak to brodie on this issue, i can be the new author but would prefer if E&A can be the new ones.
 - 2. Guel: question for AG: if an individual wants to no longer sponsor a bill can they be removed.
 - a. AG: yes, sees no reason why not.
 - b. DLeg: we could re create the bill.
 - 3. Dleg: question about chapter 601.2 L, has it always existed?
 - a. Guel: yes will allow Brodie to speak on this.
 - b. Brodie: the training always existed informally not it would be in statutes.
 - c. Brodie: the bill is also not been PPI its in committee rn, we can do what we want with it.
 - d. Guel: Can we copy and paste the doc in case it becomes PPI.
 - e. Brodie: You could but it would not make sense and it would slow down the process for the senate. Don't let one person slow down the process.
 - f. Foster: 601.2 L
 - iii. Debate
 - 1. Foster: We kinda need the bill and update the election statutes will elaborate on the floor. Its a well written bill by Tyler even though he wants to PPI it.
 - 2. Urea: I agree with ProTemp Foster.
 - 3. Guel: voting on Amendments.
