 - 1. Speech
 - a. During the hurricane I was unable to complete any school assignments due to a loss of power. After the hurricane had concluded I began to feel sick and have been sleeping most of the day since. I am not going to be attending classes or work this week because I do not want to get anybody else sick and as a result of this cold, I have not been able to catch up on my schoolwork. I am hoping that I will start to feel better

1. Speech

a. I work at the Physics Lab as an assistant Mondays and Wednesdays after classes from 7:00 am - 9:20 am and 10:00 am - 12:30 pm. I work all the way until closing time (8:00 pm), but cannot conduct my own labs for my physics class during work time due to a much more busy semester with students. Due to having to stay all Tuesday at UCF, I have to miss class sometimes on Thursdays (which I am totally okay with as of right now) and just spend most of the day at the lab instead, and then go to UCF to not kill my gas money and get things done. I do not like the schedule but I did not have an option unfortunately due to reqs. I will have my labs between 6:00 pm and 8:00 pm, and from West Campus Valencia to UCF is about 50 minutes of drive. I am leaving myself extra time to get changed and not starve before beginning senate. I will submit my proof of lab time below (I cannot seem to add more supporting
