4. Approval of the Agenda: approved by GC
5. Open Forum:
 - a. None
6. Announcements from the Chair:
 - a. Want to touch base on new projects we assigned last week. If there aren't updates then we can go more into them. This zoom isnt the UCF one so it'll be 40 min or less.
 - i. Campbell: press the SSO to login through UCF.
 - ii. Tache: I tried but the password didn't work.
7. Announcements from the Vice Chair:
 - a. Same as always, let me know if there are any discrepancies.

SG Conference Room

- a. Collins: no official announcements, a lot going on this week. Check out SG Instagram, a lot of cool events are happening.
- 9. Announcements from Non-Caucus Members
 - a. None
- 10. Old Business:
 - a. None
- 11. New Business:
 - a. Updates on new projects
 - i. Executive branch training (Sam and Jade)
 - 1. Collins: Not really a conversation yet, spoke briefly with Ciresi before the hurricane. Would love to hear what you guys want to be included, and what format would be best, possibly a Webcourse
 - 2. Tache: personally, not sure if we need a whole Webcourse, maybe some videos or some quick training during a meeting. A project I don't want to spend a ton of time on, it's improving us internally in SG but improving 8-10 people.
 - 3. Collins: I want to throw out the suggestion that we look at it now and then revisit it in the future. It would be nice to have something that outlasts us - can be used for any administration and anyone who wants to participate. Good option for anyone who wants to be an ally to the community. FSU D&I Coordinator has been struggling - position was only made 2 years ago. This workshop could be a place we can keep that dialogue and make it as sustainable as possible.
 - 4. Tache: when Colby Smith was confirmed, former Chair Cox sent Smith videos on accessibility. He watched them. Spoke with President Lopez and those are the type of things that should be on the onboarding packets. Resources we can compile to have long-term that they have to look at as they're being onboarded. Thoughts?
 - 5. Collins: that would work wonderfully, something that outlasts this one workshop.
 - ii. Interpreters situation (Jason)
 - 1. Tache: have not checked with Chair Wangen as campus was closed. Will get back to you all.

iii. Disability commons

1. Tache: left it with Ciresi helping draft the documentation and make it more formal (documentation from Disability Coalition), has she reached out to you Campbell?
2. Campbell: nope.
3. Tache: okay I'll get on her about that.

iv. Accessibility reporting form and ADA walk (Sam)

1. Tache: I know there was a lettuce meet, but not sure where she is on that.
- v. Collins: sent out a bit earlier, but flyer for Holocaust memorial museum is out. Please fill out the form if you want to go. Open to all students and faculty, so if you know anyone interested send it their way. Supposed to be talking about rise of anti-semitism in the country, being an ally for the community.
 1. Tache: when?
 2. November 17th. 1 shuttle at 1:30 PM and one at 4:30 (that gets back at 7:30 PM)
 3. Tache: November?
 4. Collins: Correct. Exhibit will be there till the end of the year, so see it if you get the chance.
 5. Tache: Specific exhibit?
 6. Collins: there's a few.
 7. Campbell: the train car?
 8. Collins & Tache: think that was something else.
