4. Millington: How do you plan to advertise this? We will send out announcements and post this on our discord.
5. Millington: Could you clarify what would be going on during the event? It is a hike-workshop hybrid. We will use little containers to collect mosses. And then we will find a place to sit and assemble them. The terrariums last for a really long time.

viii. Debate:

ix. Vote: 6-0-0. Approved

x. [54-59](#)

- xi. Speech: We are the Pakistani Student Association. We want to bring awareness to our culture and current events within Pakistan. Pakistan was recently devastated by a flood, so we wanted to raise awareness of it. We are hosting a fashion show bazaar mix. Pakistan is a diverse country with many different ethnic groups. We want to show this diversity through a fashion show. In terms of the funding requested, we have a printout of the items we are requesting.

xii. Questions:

1. McClellan: Are you able to pay for a possible fine if the UCF catering request does not fully go through? Yes, we would be able to pay this fine however, we are an RSO reliant upon SG funds. We asked for a waiver from the UCF catering.
2. Heintskill: How does the fashion show work? We would start the show at 6:30 and try to finish around 7.
3. Nimbargi: What are you doing to raise awareness of the recent Pakistani floods? We have done outreach events for it in the past, now we currently want to raise awareness to the ineffective Pakistani government.
