 - **Attorney General (Caitlin Moore, sga_ag@ucf.edu)**
 - Hello Senate!
 - I finished another opinion, it's published on the website and in the SG office.
 - [Opinion on Changing University College Designation](#)
 - Essentially, this opinion holds that a Student Body Senator who is considered removed from their seat *does not* retain the leadership role(s) once held.
 - Moving forward if you would like to request an opinion, please utilize the [Request for Attorney General Opinion](#)

- This should expedite the discovery process and allow me to gather all relevant information in one place prior to writing the opinion.
 - That being said, my email is still open if you prefer to or need to use it instead of the form.
 - This week, Vice Chair McClellan, President Lopez, Speaker Custis, Chief Justice Kehr and myself met to discuss Title IV. I'm currently planning a meeting with DLeg Wangen and Chair Guel to discuss Title VI revisions.

 -
- **Deputy Pro Tempore of Legislative Affairs Report (Katrina Wangen, sga_dleg@ucf.edu)**
 - Good evening everyone!
 - I approved 2 Internal Bills this week, which are on First Reading tonight and will be seen in LJR on Wednesday. I also denied one Internal Bill that intended to change Senate Rule 5, as it should have been a resolution and I requested to meet with the individual to fix the legislation, but got no response in the time since it was submitted.
 - Pro Temp Ciresi will be gone until at least Wednesday, July 6th. If you have any questions, please refer them to myself or DSR Foster, as she is not available until she returns.
 - Even in her absence, all legislation submissions and extension requests must be sent to Pro Temp Ciresi, but if you want anyone to see it before she gets back, you'll need to send it to me as well.
 - As far as extension requests are concerned, I will not be granting extensions next week to legislation I have not already seen through advising or otherwise, since I will be swamped until Pro Temp Ciresi's return.
 - I will be very busy this next week, especially with the switch to Workday potentially causing issues with fiscal, so I would appreciate if you would use my Calendly if you would like to schedule a meeting with me, though you are welcome to walk in with questions if I am in the office, I just might not have much time.

 - Hey guys! Like I said, in committee we saw one allocation and one Fiscal Bill. We also went over our FAQ Sheet for the website, which was requested by ELA Galloway. If you have not reviewed yours please do - CRT's was extremely outdated.
 - Ajay's Assessment:
 - Good evening Senators, this week in CRT we had Border Dark Chocolate Gingers Biscuits made in the UK. It was basically a ginger biscuit coated in dark chocolate. Senator Richard liked them a lot and thought they had a good crisp, Dleg Wangen thought they were ok, she didn't love them or hate them. Chair Borges really liked them and thought they tasted like pumpkin pie. Senator Hurrell said she didn't like them and that they gave her goosebumps. Senator Becerra said the ginger was too strong and that it tasted like his morning tea to him.

I liked the texture of these cookies, the chocolate had the perfect amount of thickness and they had a dry and crisp center that had the perfect amount of crunch to it, but it was unfortunately drowned out by the overabundance of sweetness from the dark chocolate surrounding it. And while these biscuits were amazing and crunchy they only had a hint of ginger, there wasn't enough ginger in the biscuit to the point that all I tasted was the sweetness of dark chocolate. To me they were average, they weren't the worst I've had, but I've definitely had better. I approved of these biscuits, but barely.

We saw 4 VPFs, approving 2 and postponing 2.
