 - Chair Salerno: Shoutout to the members of SBA that have taken on some of the tasks within the committee. I appreciate my entire committee soooooo much <3 (Will Ajay ever like something?!?!?!?!?!?)
 - Chair Patel for Ajay's Assessment.
 - Good evening Senate, In yesterday's CRT meeting we had Tuareg Coco Costa Cookies from Chile. They were basically a layer of coconut cream sandwiched between 2 nila biscuits. Senator Becerra said they were good and tasted like coconut and vanilla. Senator Hurrell said they were good but smelled bad. Senate Richard didn't have any but liked my ASMR. Senator Wangen said they were good but smelled better than they tasted. Chair Borges liked them and Chair Millington thought they were quite exquisite.
 - On the other hand, I really liked the consistency of the biscuit combined with it being soft and dry. For the layer of cream, I felt that it was too sweet. They added too much sugar to the point it drowned out the taste of coconut. Combined with the cream, the texture of the biscuit melted in my mouth in a satisfying manner. But unfortunately there was no authentic taste of coconut. Therefore, I do not approve of them.
 - Vice Chair Robbins for Scarlet's Snapshots
 - Good Evening all, this week we had three new members join ORS which was awesome. This time last year it seems we had weddings, more renditions of Ethans memes, hikes, jeramiahhs, and best of all the broken closet of Chair Borges. We are still very eager to gain more members so please consider!
