- **Senate Forum**

- Chair Patel for Ajay's Assessment.
  - This week we had Ovaltine Cookies from Jamaica and also a second snack Senator Hurrell brought in which was De La Rosa Peanut Brittle from Mexico. For the Ovaltine Cookies, Beccerra said it was bland, Hurrell said she would dunk them in tea, Wangen said they're not bad, Borges liked them. On the other hand I liked the dryness of the biscuit, and the crunch to it - it was amazing. Believe it or not, I thought the taste was good, but the cookie was focused less on taste and more on sugar. It was kind of sweet, more sweet than it had to be for a biscuit. It had good taste but it was very subtle as it was taken over by all the extra sugars. Therefore I didn't like them.
  - For the De La Rosa, Wangen really liked it and so did Borges, Beccerra said it tasted good like a snicker mix ice cream, Hurrell loved them as they're part of her childhood. On the other hand, I liked the Raw taste of chocolate without the chocolate part, like a Snicker bar without the chocolate. It was like the grinded version. It was too sweet though, I did like the dry part and I really liked the crunch along with the powdered dryness. The taste is very strong and it's a good taste too, but if you eat it, upon first contact there's an overabundance of sweetness for the first second. There's also an odd aftertaste. I didn't really like them but I admit, they were a strong contestor.
  - Scarlets Snap Shots: a wall full of Bubbles at church, chair temple in a super bougie hotel on I Drive, another meme of spiderman, a pre-workout flavor that Chair Guel does not recommend, Uchoa with picture with a random huge poodle at a pool party, fetus version of Chair borges from Prom 2 years ago Senator wangen on a hike in oregon, at the trail of ten falls. Last but not least another meme from Senator Castillo.
- Statement from Chair Tache (Kostis)
- Salerno:
  - Narcan: [UCF now gives away Narcan](#) for free without a prescription to anyone who is registered with the university. We are the first public university in Florida to have this option for students. There has been a fentanyl crisis...this could save a life.... - I have been working on a piece of legislation for weeks now on narcan that will be seen next week! I met with Stephanie S pies yesterday actually. (A QUEEEEEENNNN)
