April 19-22. 7 people went to the conference, 6 people presented. Max \$3500. Flights being requested based on multiple airlines. \$484 per person, for a total of \$3388. I do have a question, but we have one student, and booked her flight, so we don't know if someone else can use her flights.

2. Questioning

- c. McClellan: What is the earliest date, and last day of return?
 - i. 18th, and most are coming back on the 23rd. One person is going a day earlier
 - d. McClellan: That shouldn't be an issue
 - i. Tribble: I am not sure
 - e. Hurrell: I don't think it's a problem if we weren't now including lodging, but now we are and the dates are based on that. Wouldn't lodging be unspecified
 - f. McClellan: Does the student need to go a day earlier?
 - i. I think they want to be there before
 - g. Hurrell: The reason we ask is because you may run into issues in the business office, and now that we include lodging, they will use the lodging dates.
 - h. McClellan: Is the lodging for the one person, different
 - i. She is the one who is going early
 - i. Hurrell: by chance, do you know who you talked to in the business office
 - i. No
 - j. Hurrell: we could approve this pending us talking to the office
 - k. Bhateja: Do you have an estimate for the hotel
 - i. I would have to research
 - l. McClellan: Is it possible that we can table this for later, and you can get the quote to us. If that's possible.
 - i. I can try
 - m. Tribble: Can you email it the the CRT email
 - n. Hurrell: I would recommend PP till a later day

- c. Tribble: Are you receiving funding from the bill
 - i. No

- f. McClellan: We can't do another bill for them, since they are not part of an RSO, and we can't double fund the same RSO
- g. Hurrell: Are you FT
 - i. Yes
- h. Hurrell: Aware of PFP
 - i. Yes
- i. Hurrell: we are only able to fund \$200 each are you aware

 - i. Yes, because we have already changed the hotel
- j. Hurrell: We can fund \$4000, would you like for us to increase it to give you wiggle room.
 - i. Yes that would be great incase everything became booked
- k. Hurrell: So with the PFP you have to spend at least 80% of the funds, you have to spend your amount. If you do need to get the hotel max, I would put it at 3600. Just in case something happens
