- a. Hello, I am seeking funding for a service trip May 7-14 in Brazil. In accordance with our mission, we will be broadening cultural awareness through volunteering. We will be providing outreach by teaching children and donating. This gives students the chance to visit these communities and help them. We will be shadowing for four days at the hospital, then we will be volunteering at the children's school, and then travel home. Airfare, \$800 a person

  - f. McClellan: How do you choose the members

  - g. McClellan: Will you be able to be present for second reading at senate

  - d. McClellan: This flight quote was on 2/14, the flight was at \$877
    - i. International flights normally fluctuate during the week, Tuesday is normally the cheapest, and more expensive as we get closer to the date
  - e. McClellan: How much more expensive do you think it will be in 5-6 weeks
    - i. Hard to say, probably \$900-\$1000
  - f. Hurrell: I did the calculations, moving it to \$900 is going to be good with the 95% range
    - i. Is it a block sum
  - g. McClellan: If you don't bring all 14 people, you would lose that \$900 for that person, and it can go to anyone else
  - h. Student: we funded for 13 students, and we did it for \$925, could we bring a 14th can we buy the 14th
    - i. No, I would recommend you have backups
  - i. Hurrell: I would leave it at 14 student for now, and we can change it later
  - j. McClellan: I say we leave the bill alone, if prices go up its on you, but you are less likely to be sanctioned, so that would be safer
  - k. Student: Do you want to do \$880 for easy math
    - i. Hurrell: If you have a conversation we can up the price for you and we can adjust on second and third reading
