 - The statutes and Senate Rule 2 on the website aren't the most updated versions, they should be changed soon, but in the meantime, please refer to the copies I sent at the beginning of the month.
 - As usual, if you would like to request an official opinion, please utilize this form: [Request for Attorney General Opinion](#)
 - If you have any other questions regarding SG Statutes/Senate Rules, but don't want/need an opinion, always feel free to email me or come chat with me when I'm in the office!

- **Announcements from the Chief Justice (Sage Kehr, sga_cjus@ucf.edu)**
 - Judicial's first meeting was yesterday evening. We discussed our committees and retreat date, as well as website updates and future plans for this year.
 - We'll be meeting every Wednesday from 5-6pm, switching between the Conference Room and the Chamber.

- I'd like to provide some clarification on the announcement I made a few weeks ago regarding advising because there seems to be confusion. We are no longer advising students for student conduct who have been charged with sexual misconduct violations. We feel that there are other resources and departments around campus who are better equipped to deal with these situations and do not feel as though it is in the best interest of the mental health of SG Agents to handle these cases.
 - To add on, if you have any questions regarding Judicial decisions or anything regarding our internal matters, please ask or consult me directly.

 - Hello everyone! Happy Thursday!
 - We will be having a long meeting today so please prepare accordingly.
 - As a reminder to all of the Senate: if you have issues, concerns, or questions regarding anything within Student Government or Senate, please do not hesitate to reach out to me and communicate with myself or my office. If I am not made aware of issues, I cannot act on them. I will not entertain hearing things "from the grapevine" as a means of responding to issues. My door is always open and I encourage everyone, whether they be committee chairs, caucus chairs, senators, and everything in between, to speak to me or my office so that we can rectify concerns.
 - If you have not filled it out yet, please fill out the [Speaker's Office SG Polo Request Form](#)! I am hoping to get those distributed next week!

 - Hey guys! This week in committee CRT approved 7 allocations and 2 Fiscal Bills. In Caucus we approved 2 allocations.
 - Because we did not meet on Monday due to Labor day, we met today virtually, so sadly no Ajay's Assessment this week.
 - If Chair Patel is confirmed CRT will need a new VC, so if anyone is interested please feel free to reach out to me!
 - This afternoon some members of Fiscal Leadership met with Dr. Posey, Shane, Phong, and Brodie to discuss concerns we had with our abilities to do our jobs with Workday being the new financial system, and we made a lot of really great progress!
 - CRT has officially made it to 100 allocations (102 to be exact) It took last year's CRT Committee till January 9th to reach 100.
 - We have allocated over **\$100,000** since July (and the new fiscal year) started! I am very proud of CRT!
 - Concerns with fiscal and the state of Senate.

 - This week, we had 41 post-funding hearings scheduled for new business, though, unfortunately, less than half were in attendance at the ORS meeting. I also have begun a new project of making sure RSOs and individuals are completely aware of their sanctions and how to request an appeal through emails sent out after the fact, similar to the exit slips sent out by ORS reps. I will also likely be making the email itself semi-automated like the ORS exit slip is, which only means anything to a very small number of you.
 - We elected Vice Chair Castillo to the position of CRT representative!
 - I also held ORS rep trainings for both the FAO and CRT reps this week.
 - I and the rest of fiscal leadership, including Comptroller Erched, met with Shane, Brodie, Dr. Posey, and Phong to determine more about the changes due to Workday and how to make ORS still effective with these changes. We figured out a lot and plan to meet again soon.
 - Scarlet's Snapshots
 - This week in committee we were all practically useless after a 2 hour meeting. That being said, Scarlets Snapshots never die so we sent our photos later in the group chat. This week consisted of boat rides, an excess of fried rice as well as a meme condemning our sins, a beautiful panorama of towers and a slice of pizza the size of Ajays ego (Lazy Moon sized)
