 - EC requested an interpretation of Title VI, Chapter 605, Sections 605.6-7, regarding which groups are permitted to make campaign donations and provide physical assistance.
 - In short, per Title VI, Chapter 605, Sections 605.5-7, donations/finances, campaign materials, or personnel from non-profit organizations are prohibited. As is any donation from a non-UCF student, staff, or faculty member representing such an organization. For-profit organizations that are not political organizations are permitted to donate or provide financial and personnel assistance to campaigns.
 - Compiling a reference sheet that covers SG's jurisdiction and scope to serve as a useful guide in case other Internal Bills or discussions arise pertaining to these issues.
 - Furthermore, this information is not an opinion and is not based on subjective interpretation. I'm compiling objective information through continued research on the subject and the information I've gathered from discussions with members of the administration.
 - It's nearly complete, so I'll link and share it during the next Senate meeting.
 - Rough drafts of revisions for the Statutes are complete, aiming to have solid proposals to share with y'all by next week.
 - Reminder to include this in your email signature, especially to all the new Senators (per Title XII):
 - "Please note: Florida has a very broad open records law (F.S. 119). Emails may be subject to public disclosure."
 - At the end of the last semester, I spoke about the EC election timeline I was compiling, just as an update, that was sent over a little while ago to help aid in extracting all the dates and deadlines from Statutes as they pertain to the election.

 - Hey y'all, we saw a decent amount of business this week, approving a bunch of VPFs and allowing 3 different RSOs to get off fiscal probation due to their VPF being late, which we also talked about changing to not have Late VPFs put RSOs on fiscal probation and change it to solely missing ones.
 - Victor's Visuals:
 - This week we had a new member, Senator Yalamanchili shared a picture in New York coming back from Tanzania, which had three of his favorite presidents. We also had hours of driving to find a great spot, picture of protein shake (Bulk Season!!), and the highland games. Ethan as always had Roman content. Our Chair had a picture of the MBTI test and I was teaching my friend how to wakesurf.
