i. Associate Justice Seat #3: Daniel Rivera

1. Speech:

- a. I'm Daniel. I'm a south florida native and in the honors program. I love the work of the judicial council. I love working with students. I started in SGLC and JLC. They provided valuable experience. I have separated my goal sheet into 2 separate parts. Intra branch is to strengthen the bond between senate and judicial. I will remain impartial. I want to put together a SG event for all SG to get together. My parents work in community service so it is a value that is near and dear to my heart.

2. Questions:

- a. Almenar: are there any inter responsibilities that you hold that would get in the way of the judicial branch.  
i. No.
- b. Cantrell: When does this seat end?  
i. June.
- c. Cantrell: What is your best quality for this job?  
i. Work Ethic. I am very present.
- d. Cantrell: Since you are in the honors college, could this interfere?  
i. No, not more rigorous than other classes.
- e. Domino: What is more important, the spirit or the letter of the law?  
i. Both are important but i would say the spirit of the law, the laws should reflect who we are as people.
- f. Almenar: What have you taken away from SGLC and JLC?  
i. My shadowing days. I shadowed different chief justices so it allowed me to see how the judicial system worked and interacted with students.
- g. Domino: As an SG agent, how will you handle a situation where you would have to separate your personal biases?
