- a. "4/26/2022 - No TRF submitted"
  - b. Funding for a research conference. Requested \$378.60. Didn't receive email from the accountants. Emailed CRT Chir, got no response. Looking back, found ASFBO email.
- 3. Question
  - a. Wangen: When did you email the CRT Chair?
    - i. Feb. 14, 15, and March 16
- 4. Debate
  - a. DLeg: Another odd situation. Definitely on us to respond when reaching out to the CRT Chair. Missing emails does happen, but I would look with terror. Think we should sanction at around 5-10%. Would like input from the rest of the committee.
  - b. Temple: Agree that we shouldn't be too harsh. Human error. Is on us that there was some miscommunication. That being said, this should serve as a reminder to be on top of communication.

    - a. "5/4/2022 - No TRF submitted"
    - b. Requested \$200 for YDSA conference; would've loved to use it, but had paid for admissions fee (early bird). Did not want to wait for the money to come in otherwise the fee would've increased. Went by car instead of plane. Would have used it for a hotel, but friends collaborated to get an AirBnB. Made no sense to use funds for a hotel when having a cheaper alternative. Only other thing spent was food. Would have used funds but all acceptable funding options were already covered. Failed to relay information to ORS, Business Office. Apologizes profusely.
  - 3. Questions:
    - a. DLeg: I almost don't understand the reasoning. Basically getting a hotel for free, you got an AirBnB?
      - i. Needed transportation. It wouldn't have been for free if

  - i. Believes he did. He wanted the early bird fee by 18 February. Did put in a report day of, did not have time.
- c. DLeg: When did you submit information?
  - i. 18 January 2022 was a confirmation email.
- d. Dleg: When did you need funding for early bird?
  - i. 18 February for early bird.

ASFBO reached out during spring break, didn't reach out then. Asked if they could pay excess travel. Couldn't pay for Uber, flight was \$95 for expensive. Asked if funding could be used on food, it could not be.
3. Questions
- a. DLeg: When was allocation approved?
    - i. Mid-February, not sure of exact date. Probably 16-17 Feb; deadline was 8 March past midnight.
4. Debate
- a. Temple: Very similar to last allocation, did reach out to the business office beforehand.
  - b. Wangen: Approved on 23 Feb. The Business Office requires 10 days for PRF approval, Senate requires 14 days. Puts us on 16 March, not the 9th. This is a little different, mostly due to Registration (200 vs. 45), flight cost was just as high as a roundtrip Uber. Do still believe in a sanction but not as high.
  - c. Temple: Comfortable with 5-10% sanction
5. To Sanction at 5%
- a. 2-0-0
- xiii. CRT 53-261 (Aishwariya Gulani)
- 1. General Information:
    - a. Fiscal Probation: Reversion >20%
    - b. Reverted \$500.00 of \$500.00 allocated; 100%
  - 2. Speech
    - a. “registration was paid (3/7/2022) prior to my acknowledgement of reimbursement (3/17/2022). The lodging was also paid (3/11/2022) prior to my acknowledgement of reimbursement (3/17/2022). As for the flight, I will need the following, as this was a credit for another flight: 1. The original airline itinerary, with the e-ticket number, your name, the flight information and the last four digits of card utilized. 2. The credit card receipt for the original flight showing the card holder name, the charge and the last four digits of the card.”
    - b.
  - 3. Questions
