Vice Chair Almenar: what do you mean by not asking questions about interpersonal relations?

Chair Guel: The picks are more about building a strong team on top of qualifications.

Senator Foster: Senate floor will also get to question.

Senator Borges: Senate floor will have limited questioning.

Senator Hall: why should we avoid these questions if those appointed have questionable backgrounds i.e. social media post regardless of qualifications.

Chair Guel: Not about political or friendships more about Sexual relationships.

Senator Hall: We need to be as realistic as possible to make sure the cabinet is functional. If the Exec is less effective then we will be less effective.

Senator Borges: Should we give points of information during confirmations on cabinet floor? Are things found on Social Media fair game to question on during confirmations.

Chair Guel: Will rely on the committee to convey what is point of fact, For social media, Yes but a fine line to keep it professional. Will talk to brodie and give us a final answer.

You may bring up personal instances in debate but please prepare before-hand if you hold these sentiments to deliver them in a professional manner.

Senator Foster: What do you (Chair Guel) want those picked to bring to E&A

Chair Guel: will request that they send us their materials for us to review.

Senator Borges: Want to request the notes taken.

Chair Guel: has discussed this with the President, they do not want to share notes.

Senator Domino: Where is this discussion coming from? President or Chair Guel? Seems like concerns of some members are being shot down?

Chair Guel: conversation that she had with daniella was one on one with brodie, Chair Guel has expressed the committee's desires for having that information brodie advised not to share. Not shooting down just conveying the information.
