as their RSO. Here is a CRT [cheat sheet](#) (it's better than ORS's haha) to help with the general understanding of what we can provide. Here is our [funding estimate form](#) where you can put in your information and get an estimate of your potential funds. Please reach out to me if you have any questions at sga_crt@ucf.edu. Also, should out to Jayla, she is one of the first people I met here at UCF and she is absolutely amazing!

ii. ORS Committee Introduction:

1. The Operations Review and Sanctions Committee is the committee that reviews how funds are used by individuals and/or RSOs and whether they were spent appropriately. Should anyone not use their funds properly or don't use enough, or you fail to follow Senate's fiscal policy, you will be put on probation and you would be called into ORS to explain why that is the case and be accordingly sanctioned (or not, this is at the committee's discretion). We also review your purchases using Verification of Purchase Forms to ensure the money was spent properly. Here is our own [cheat sheet](#) and if you have any questions, feel free to reach out to me!
