- a. Uvalde and Buffalo Vigil: Tuesday at 7:00 PM outside the Student Union. We still need 18 volunteers! Please let me know if you would like to, and thank you to everyone who has already signed up.
  - b. FAO Funding Workshop: I will be meeting with the FAO Committee Chair and Vice Chair on Wednesday to plan an FAO Funding Workshop for Latin RSO leadership. Please let me know if you would like to attend the planning meeting and/or the workshops themselves.
  - c. Hispanic/Latin Student Council: I met with HLSC on June 1st. I will be meeting with them every Wednesday at 7:00 PM. Please take a look at your calendars and let me know which HLSC meeting you are available to attend to introduce yourself. Also, if they decide to collaborate with us, please ask if they have Spanish and Kreyol materials to distribute, as well as Spanish and Kreyol speaking employees that would be able to attend.

b. Nondiscrimination Clause Resolution: 3 minute speeches, 5 minute questioning,  
5 minute debate

i. Speeches

1. Senator Mole: Wants to pass a resolution against discrimination for SG. Already have several of them throughout SG... with this one, already in the employment rule 11 in senate, and will add it to the code of ethics. No SG agent will go against discrimination due to sex, color, race, or religion according to the resolution.
2. VC Becerra: Minutes good?
3. Senator Mole: All good!

ii. Questioning

1. Borges: Any definition for unlawful discrimination
  - a. Would be school policy over city ordinances, blanket term
2. Senator Almenar: Thought process on creating this legislation?
  - a. Chair Saucedo: More specific?
  - b. Almenar: No. Yield time.
3. Borges: Add golden rule to this?
  - a. Mole: Absolutely open to it
4. Chair Saucedo: Why not be more incompetent on classes of discrimination?
  - a. Mole: UCF has only one list of classes. Took classes from...

iii. Debate

1. Borges: Great concept. Issues were recent. More in support with the addition of the Golden Rule
2. Becerra: Fully in support to tackle discrimination issues.
3. Almenar: Lots of good things to protect Senate. Believes that it also adds to checks and balances.
4. Martinez: Supports, and believes this will boost "office culture" (helps with comfort for minority groups in SG). Adding it helps with accountability against discrimination.
5. Mole POI: What we are voting on is whether or not the caucus supports it as a sponsor. Focusing on why the caucus should support it is good!
6. Martinez: Hispanic community gets hit with discrimination. Believes the clause will be great against the issue at SG/campus.

iii. Mole: Speeches, questioning, debate for the same amount of time, and conduct now since it is important.

## Speeches

1. Saucedo: Meant to honor the victims of the Uvalde shooting. Believes the Caucus should sponsor since most of the victims were Hispanic/Latin, and the community is also heavily Hispanic/Latin. Not political in nature. I Want to honor the victims. Wants to yield time to questioning
