 - Hi all, we met on tuesday for almost - 5 hours! I encourage you all to skim the minutes but if you didn't have time I created a quick summary for the confirmations today! [Confirmation summary](#)
 - There are still seats available in E&A, in senate we are on a time crunch so if you feel passionate about seeing appointments you can join E&A or reach out to me if you have any questions!
 - When seeing the appointments today please remember to refrain from any accusatory questions or berating debate. When talking about qualifications, experience or character there is a fine line to walk; do not cross the line :)
 - Here are some examples of questions that are appropriate and inappropriate [\(Questions\)](#)
 - Here is a list of some suggested questions you can ask for [every position](#)
 - List of reasons why each person was selected per President and Vice President [Daniella and Xely](#).
 - My VC is amazing- thank you JC you're a true king <3
- **GAP Committee (Chair Dylan Hall, sgagap@ucf.edu)**
 - Good evening everyone! GAP had a productive meeting about some upcoming initiatives!
 - I spoke with VP Martinez about some of the midterm/voter registration ideas SG is hoping to accomplish.
 - SG will be working with the Orange County Supervisor of Elections to register students during orientation over the next couple of weeks. We will have more information about it and how to get involved if interested shortly.
 - We also discussed the need for SG to work collaboratively across agencies when it comes to our midterm plans. We want to maximize our effectiveness and ability to reach students from a voter registration and voter education perspective. I will have more information about that hopefully soon on what it will actually look like.
 - If you have any questions please don't hesitate to ask!
- **LJR Committee (Chair Brianna Urea, sga_ljr@ucf.edu); (Vice Chair Ryan McClellan, sga_ba5@ucf.edu)**
 - Good evening everyone, Chair Urea is not able to be with us today so I will be giving the announcements and handling the censure process tonight. I hope to be as much of a resource as Chair Urea was last week for you all as we get into it. This week LJR was not able to make quorum so I decided not to hold a meeting and to instead sort out some issues that arose because of it. Do not be worried if we did not see your absence request this week, all absences are going to be considered pending until we get a chance to see them next week along with any other requests made in the meantime. Today we have the last censure that we were not able to see last week.
 - As you will read in the censure documents, this censure is brought up by Chair Borges, citing Senate Rule 3, Title III, and Title IX, as context to censure Chair Guel.
 - The LJR committee found merit in the censure and passed it in committee with a Vote of 4-3-1. The link to the minutes can be found here. [5/18/22 LJR Minutes](#)
 - [Recommendation of Censure #3; Passed 17-14-9](#)

- Pro-Con; **19-19-05**
- Recess for 3 minutes to reconvene at 7:47 p.m.
 - Reconvened at 7:48 p.m.
- **SBA Committee (Chair Stefania Salerno, sgasba@ucf.edu)**
 - Hello! We were so excited to welcome five new members to SBA! Thank you all for being so engaged in our conversation
 - DLeg Wangen created a database of legislation that pertains to any form of advocacy. Vice-chair Anderson and I will begin to review it thoroughly next week.
 - SBA decided that since we cannot control or direct formula supply the best way we can support our students is by supporting the needs of campus entities and providing information. . . We will be gathering resources and information for UCF students who are parents to add to the UCF website.
 - We will be reviewing the SBA Idea, Feedback and concern form next week!
 - Our job as senators is to amplify unheard voices, not speak for them. Active listening and effective communication are crucial aspects of advocacy. Before you write legislation, make sure that you are not only doing ample research regarding the matter discussed in your legislation but also make sure you're reaching out to the different populations that it affects
 - I'm more than happy to talk one-on-one with senators on Proclamations and Resolutions.
