5. Announcements from the Chair-
 - a. Hey guys, another really long agenda today, apologies in advance to VC Robbins.
 - b. Once again, for efficiency's sake, please do not give committee member announcements that are not relevant to ORS business. You can save them for miscellaneous business if we have time.
 - c. Attendance policy: I will follow the same attendance policy as LJR does. You must tell me personally if you cannot be here or if you want an absence excused after the fact, in writing, preferably email. As I'm sure you are all aware, more than 2 unexcused absences will result in dismissal from the committee and I will not be lenient with that.

- a. Does not have 100% of the records because of graduated students. All of our outgoing emails stay within our club so i did not see them. Our previous treasurer used his own email so we do not have any information. Last fiscal year the funds were approved and then we reached back out to the student government, in february. They were not able to meet with an accountant in order to use the funds.

3. Questions

 - i. Promo items
- b. Senator Borges: Did they reach out to the accountants themselves?

 - iii. No
- c. Senator Castillo: Have you reached out to the previous treasurer?

- d. Senator Borges: Do you think it was delayed because of his grad status?

- a. Borges: The comments are conflicting...?
 - i. The documents say she never used the funds, but she says she did.
- b. Robbins: Why does it say if you have any questions let me know?
 - i. Wangen: Clarifies.
- c. Borges: I am confused as to what these emails are for?
- d. Castillo: Have you been in contact with them?

 - i. No

 - c. Temple: There are too many holes in the statement in order for it to be backed up. 20-25% sanction.
 - d. Castillo: I agree with previous statements. They should have known that the transportation change would affect things.
