5. Announcements from the Chair
  - a. Hey guys, 8 allocations and 2 fiscal bills this week! Sorry we are starting late as I was coming from Tampa and traffic is bad with people trying to evacuate.
  - b. I will be doing committee representation again this week. Everyone on this committee is free to come and learn how to do committee rep. Until a committee member is trained by me on committee rep they will not be allowed to represent any student.
    - i. No, I am not sure when all of them will be yet. A lot of students request them sporadically. Also not sure if we're caucusing yet until we see who is here today.
  - c. As CRT Chair I am very overwhelmed and have had to clock in a lot of hours. I am only supposed to work 12 a week but have to work double that regularly. I will be

reducing my hours, which includes responding to emails when I can instead of as soon as possible.

- i. The same goes for messages, so please be patient with me.
  - ii. This also includes taking funding requests. Two students submitted their requests late this week so we're not seeing them today. If they are out of timeline as a result, I may consider taking them, or I may not. As of now, I need to prioritize my mental and physical health.
  - iii. In the past, I would go out of my way to go leaps and bounds for students who were out of timelines or submitting things late to save their funding; however, after the time I've had recently, I will no longer be doing that.
    1. As a result, I will uphold our established timeline. If students do not pay attention to that timeline, they may miss out on their ability to receive funding.
    2. If students lose out on funding for their lack of care for deadlines and requirements, I may no longer go out of my way to fix their mistakes - and I will not, at that time, take any negativity from anyone.
  - d. On brighter news, we have officially impacted 400 students since July 1st!
  - e. We have officially allocated over \$150,000!
  - f. The A&SF Budget Committee finally has all of its Senate seats filled!!
6. Announcements from the Vice-Chair

7. Announcements from Committee Members
