4. Approval of the Agenda: 09/06/2022;
5. Announcements from the Chair-
 - a. We have a very long agenda today. I'm not sure how many of the individuals/RSOs will actually be in attendance, but this meeting could take up to 2.5 hours if people are in attendance since there are 41 items in New Business.
 - b. I will be asking for a motion to limit answers to questions to 30 seconds in order to keep this meeting progressing efficiently.
 - c. On the same note of efficiency, please do not give committee member announcements that are not relevant to ORS business. You can save them for miscellaneous business if we have time.
 - d. Please complete [FINANCIAL TRAINING](#)!! As members of a fiscal committee, I have every expectation that you are all financially trained and will be rather disappointed

 - c. Sent an email regarding our issues, changes after the pandemic took place. Our sponsorship funding is done separately. There was an agreement within the RSO that they would take care of it, but then we only received one sponsor. We heavily relied on our own funds for material costs. There was miscommunication between the past leadership and myself. They (senator Meikle) said that they could present our case for us, but then we never received contact after that.
 3. Questions:
 - a. Senator Robbins: Leadership change?
 - i. Covid i was just a member, now I am not a part of the RSO bc i am a grad student
 - b. Chair Temple: was there contact with other sponsors?

- i. No responses, our parent RSO only helped with about 200\$
- 4. Debate:
 - a. Senator Borges: Not great that the amount was not what it was supposed to be, sanction is necessary but we should take into account the fact that he is a grad student and present.
 - b. Senator Temple: I believe a 5-10% sanction would be best because of the circumstances. No further communication was available with senate because of the resignation of that senator
 - c. Chair Wangen: Statutes say a 60% sanction
 - d. Pro temp: Leaning towards 35-40%
 - e. Chair Borges: I don't believe that 60% is good, but needs to be a high sanction
 - f. Chair Temple: I don't believe 35% is too high, lets go in line with what we did for FSA

3. Question:

- a. Senator Borges: Seems like alot of these were business office receipts, do you have your own receipts from your contributions?
 - i. RSO: Business paid for majority of the hotel costs, our contributions were put in yesterday
 - ii. How is it the same number / is there a group rate for the hotel?
 - iii. RSO: Registration costs were the same for everyone, just so happens that the flights were the same price because we all purchased at the same time relatively
 - iv. Looks like 4 flight tickets were sent in?
 - v. RSO: One was sent yesterday, the rest were paid for ny the business office
 - vi. Did all of the people who were supposed to come come on the trip?
 - vii. RSO: No, we had 2 people not show

4. Debate:

- a. Senator Borges: The registration receipts were perfect, the rest were clarified through questioning, looks approvable

- i. This was our first go around in the process, we assumed we should go higher rather than lower.
 - d. Senator temple: We should sanction but not sure how much. 30% max sanction.
 - e. Senator Robbins: Regarding financial training, it doesn't sound like what happens to funds you don't use is explained well.
 - i. I was financially trained along with others, we were approved, but then only received what we needed. I was confused because we only got what we used.
 - f. Senator Borges: This is a huge reversion amount, but the actual financial training is not good or accurate, I am open to 25% sanction, I would be open to 20% but that would be unfair to other RSOs we've sanctioned.
 - g. Senator Temple: I would have gone for 30% however we can go with 25 %

 - 2. Speech
 - a. Our RSO reverted over 500\$ out of the 2000\$ request. Our state conference was the reason. The hotel screwed us over, they gave us a reduced rate to cover the rooms but then could not cover the rate so they upcharge us. We then came back into CRT to amend it. When it came to the business office paying, the accountants had not gotten the info yet.
 - 3. Questions
 - a. Senator Borges: Are you going to be reimbursed by the business office?
 - i. No
 - b. Senator Temple: Can you re-describe the hotel issue?
 - i. Our organization hit the capacity with the hotel so they could not fulfill the discount

 - ii. Was Jerry your accountant?
 - iii. Yes
 - iv. Did Jerry claim to have not received that master tracker?
 - v. He did not receive the updated info until after the trip.
 - vi. Jerry did not pay for your stuff because at the time he did not have the tracker?
 - vii. Yes
- 4. Debate
 - a. Senator Borges: Jerry did have the information on time. He did not want to look and it is not the RSOs fault.
- 5. Vote to not Sanction

- x. CRT 53-219 (Evann Cox)
 - 1. General Information
 - a. Fiscal Probation: Reversion $\geq 20\%$
 - b. Reverted \$150.00 of \$200.00; 75%
 - 2. Speech
 - a. "Basically what happened is I went in to book the hotel, we called them together and the hotel was like "we don't have a fax machine, we only do it digitally" and hung up. The accountant said it's against policy to do hotel bookings digitally and she's only allowed to do it via fax. So we just sat in silence for a moment and didn't know what to do because she didn't want to get fired and I didn't want to get her fired. So I was just like, well if you can't pay for the hotel I can just sneak into one of my friends rooms, and she was like are you sure and I was like yeah. So then she promised me she'd mark in the file that she was "unable to fulfill" or something like that, I don't remember the exact wording cause it was months ago, but it wasn't either of our faults and she told me she would put that in the paperwork so I wouldn't get in trouble. So I'm not really sure what's going on."

 - a. Senator Borges: Was this also Kathylee?

 - b. Senator Borges: Did they attempt to find a different hotel?
 - i. no
- 4. Debate
 - a. Senator Robbins: Email thread is drawn out, the individual did what they were supposed to, but did not receive next step until they completed that previous step. If there's a list of things to do, they should've been given that entire list. It doesn't seem like there was even a confirmation email of the W-9. I don't want to free pass it, but at the same time it was a drawn out communication from the accountant.
 - b. Senator Temple: I do not see much fault in the person in general.
 - c. Senator Borges: Don't believe we should go as harsh as the max, but the accountants were not telling people the list of things they needed to do. I know Jerry does, but I'm not sure if it's common practice. I am not comfortable with 5% as it seems like bias towards a former Senator, but 10% or 15% seems fair.
 - d. Senator Temple: I am leaning towards a 10% sanction
 - e. Senator Borges: 15% is fair, but otherwise it is high
 - f. Senator Castillo: I believe 10% is fair because of what happened
 - g. Senator Temple: looks like 10% is the best option, apologies if I came off as biased that was not my intention.

- b. Reverted \$908.00 of \$2,000.00; 45.40%
- 2. Speech
 - a. Group leader was myself, we requested an allotted amount, the registration prices overloaded the system so we used the remaining funds to fund our students instead. We were told to fill out the form with signatures but did not have enough. It was then reduced to a lower amount of funds received by the accountant. We could only fund up to 8 people at the end of it all.
- 3. Questions

- c. Senator Temple: Sounds as if the RSO had a lot going on, but at the same time there are people in place to prevent this who are trained.
- d. Senator Borges: This is more of one individual being the issue rather than the whole RSO, so this is different from some of the other sanctions today, however a 20% sanction is my absolute minimum.

 - i. I have always been in contact with Jerry, not the staff
 - ii. So you deal with the accountants. What emails have you received?
 - iii. I did not receive anything.
