1. General Information
 - a. Fiscal Probation: Reversion $\geq 20\%$
 - b. Reverted \$320.00 of \$320.00; 100%
2. Speech
 - a. RSO: We cannot speak to this yet. Please explain what we did.
 - b. Two members were approved to go on a conference trip
 - c. RSO: Not sure who those people were, we thought that an individual got funding but not a group. I was not able to attend because of a family emergency.
3. Questions
 - a. Senator Borges: Looks like 3 students were approved, 420 approved..?
 - i. Wangen: Originally 3 members were requested, then it dropped to 2
 - ii. Borges: Was it originally 3 members?
 - iii. RSO: Yes, then she immediately dropped out.
 - b. Senator Guel: What is this conference?
 - i. Psychology conference, many students representing their research
 - c. Senator McClellan: YOu mentioned submitting another allocation, is that what happened?
 - i. Yes, the president says that she put in a request for the new number of individuals
 - ii. Wangen: We have them on fiscal probation twice. The accountants never got the info that the request was undone. Chuck lively had a request that was approved on the tracker but not in the minutes
 - d. Senator Guel: There were two allocations from the org. For the same event, one was canceled and that was not communicated to the business office, what about the RSO?
 - i. Wangen: No idea, no access
 - ii. Guel: Were you aware that one of the allocations got canceled?
 - iii. RSO: No, I was not clear on this and do not remember getting a notification.

- e. Senator Borges: Two different requests, one with two people and one with 9?
 - i. Wangen: which one? Direct to the RSO
 - ii. Borges: I see another request for 9 students for the same event.
 - iii. RSO: There are many versions of our RSO, that is probably why you see that
- 4. Debate
 - a. Senator McClellan: From my understanding the reasoning here for reversion was because of the individuals extenuating family circumstance. Believes that a sanction is not necessary.
 - b. Senator Borges: Have we gone over the one with the singular person who was denied?
 - i. Wangen: Still confused as to what happened with the other person.
 - c. Senator Guel: There are so many question marks and unknowns here. The records and everything else is confusing as of now. AS long as they understand the post funding process.
 - d. Senator Borges: Not comfortable voting, would like to postpone.
 - e. Senator Uchoa: WE dont know alot about this, we know that half was not their fault, the other half is not clear as to what happened.
 - f. Senator McClellan: isn't this confusion regarding a different allocation?
 - i. Wangen: I am unsure, the RSO did not know who the other person was going to be. Were you involved in getting the funds at all?
 - 1. RSO: No
 - 2. Wangen: Is it possible to speak with someone in charge of the funding process?
 - 3. RSO: They graduated
 - 4. What would postponing do for this?
