Internal Bill 54-05

[Updates to Title IX]

WHEREAS, Statutes require constant updates and revision to best serve the Student Body;
WHEREAS, The current version of Title IX section 906.2 allows a member of the LJR Committee to serve in full capacity as a committee member during the “Recommendation of Censure” process even if said member is the party issued in that censure;
WHEREAS, This gives the party issued the ability to question the issuer of the censure against them while the issuer does not have the ability to do so giving that LJR member an undue advantage;
WHEREAS, This bill would amend Title IX section 906.2 to add in the forfeiting of the rights as a committee member of any LJR member who has a “Recommendation of Censure” issued against them from any and all activities associated with the Recommendation; and
WHEREAS, This Bill will go into effect immediately.

THEREFORE, BE IT ENACTED, by the Fifty-Fourth Student Senate of the University of Central Florida that Title IX be amended as follows:

Chapter 906 Authority to Issue Recommendation of Censure

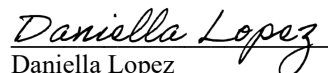

906.2 Any Student Senator who issues **or is issued** a “Recommendation of Censure” while serving as a member of the Legislative Judicial and Rules (LJR) Committee forfeits their rights as a committee member in any and all activities associated with the Recommendation in the LJR Committee, unless specified to participate as the author **or the party issued** of the “Recommendation of Censure.”

Chapter 909 Process of Recommendation of Censure

909.4 **Both the author of the “Recommendation for Censure” and the party for which it is issued against shall not be able to partake in the questioning and debate processes except for when they are answering questions in their roles as the author and party issued during the censure process.**

909.45 Following the party issued statements; the Senate shall enter into debate on the “Recommendation of Censure.” A majority vote is needed by the Senate to formally censure the party issued.
