4. Approval of the Agenda:
  - a. Approved by GC.
5. Announcements from the Chair-
  - a. Hey everyone! It's our last meeting of the Summer.
  - b. Our meeting time for the Fall is going to be Fridays at 4, starting the first week of classes.
  - c. Keep up with your initiatives over the break and CC me in ALL emails sent out to admin so I can keep a record.
  - d. Today, we'll be talking about initiative updates, tabling schedule, and the initiative tracker.
  - e. Thank you all for being so great! Also, does anyone have any allergies?
6. Announcements from the Vice Chair-
  - a. Hi, everyone! I hope everyone's week went well! I'm so excited about our meetings in the fall and wanted to propose an idea of possibly having a few committee bonding activities to do like after our meetings, since they're going to be on Fridays. It's still in the works but I was thinking about things like maybe getting boba after, eating by the reflection pond or honestly anything! I think it'll be a fun way to make the committee get closer, so definitely let me know if you have any suggestions for stuff we could do and be on the lookout for future SBA post meeting hangout announcements!
7. Announcements from Committee Members-
  - a. Gaudio: Hey, guys. End of the semester coming up, going into the fall semester your unexcused absences will reset. So, if you accrued any unexcused absences over the summer, you will be back at 0 when fall starts. You can also submit any excusal requests for fall semester whenever you want, so if you're not going to be at the first meeting, put in your excuse now so that it can be done this week and you won't have to worry about it. In addition, I will be meeting with President Blanco this week regarding our A&S fee and starting that conversation, if any of you want to be kept in the loop on that, please let me know, and I will definitely be reaching out to you all if we decide to pursue it to help reach out to students for feedback.
8. Announcements from Non-Committee Members-
  - a. None.
9. Old Business-
  - a. None.

## 10. New Business-

### a. Initiative Updates:

#### i. Teodorescu: Shuttle improvements

1. I reached out to Parking and Transportation services about this initiative and I'm just waiting to hear back from them.

#### ii. Perez: Rosen tabling

1. Reached out to Rosen Life, waiting for a response. Reached out to Senator Greene if he had any Lake Nona contacts, wanted all contacts (faculty and RSOs).
2. I talked to Chair Varela about what they want to do regarding ICTC and tabling with GAP and SBA.

#### iii. Chau: Braille for those with visual impairments in bathrooms.

1. No updates, Shane hasn't messaged me back on Teams or replied to my email. I plan on scheduling a meeting with him by checking his availability and speaking with his assistant.

#### iv. O. Smith: Career services accessibility

#### v. D. Smith: Promote satellite campuses to main campus

1. No updates but I am expecting more events to come to be promoted once the Fall starts.

#### vi. Ali: Room reservations

1. I talked with Karen Heine from the registrar's office about improving the RSO reservation process, and she said that the entire room reservation responsibility is being handed over to the Student Union. Here is the link: <https://registrar.ucf.edu/classroom-reservations/>
2. I also emailed the Director of Student Union, and I will be meeting Rick Falco on Wednesday to talk about solutions to make the room reservation process easier and faster. If someone wants to come and talk during the meeting, the meeting will be from 10:00 am to 11:00 am in the Student Admin office.
  - a. Gaudio: Put this meeting on the SG calendar.
  - b. Gaudio: Why did they decide to hand it over to the SU and how would that handle the bureaucracy?
    - i. Ali: They decided that the registrar's office didn't handle room reservations as efficiently as the student union.

5:00 PM

- vii. Leon: Safety at dining halls on campus
  - 1. No updates.
- viii. Renda: Promoting women's health resources
  - Waiting to hear from the Medical Director of the Pharmacy!
- ix. Faucette: Florida Center for Students with Unique Abilities (FCSUA), housed here at UCF but is the umbrella for various programs across the state, held their annual conference. I am interning with them this summer so I worked the event and was able to attend their bi-annual Advisory Committee Meeting with representatives from across the state. It was mentioned in their presentation that they are interested in making our program at UCF (IES – Inclusive Educations Services) more visible on UCF's campus (How can we promote campuses across the state to create their own programs if our own campus is unaware of our office and the program at UCF?). I mentioned to them that this is actually an initiative for us to do this year, so I will likely keep in touch after my internship is over to see how we can partner (along with Disability Caucus) to make that happen.
- x. Widerberg: Charging stations on campus and fixing outlets in the library
- xi. Gaudio: A&SF
  - 1. This fee and budget have gotten really thin. Can we raise this? It's easy for people to ask to raise the fee, but we should think about it from a political standpoint. Can we build up a unified movement with students and faculty to propose the idea of raising it and create some sort of detailed proposal. The SG President must be the one to initiate it under Florida law. Raising the fee is essentially really taboo, and it would be pretty impactful to band together to raise it.
- b. Tabling schedule
  - i. As far as main campus tabling is concerned, the first day is 09/03/25.
    - 1. During market days, outside of the SU, every other Wednesday.
  - ii. The time for all tabling we are striving for is 10am-2pm.
  - iii. What other locations on campus are we thinking of tabling at?
    - 1. Chau: Memory Mall or inside the Student Union
    - 2. Gaudio: Outside the RWC, Ferrell Commons, and between the SU and Library.
    - 3. Tabling times and days?
      - a. Chau: Monday – Thursday since students don't have classes typically on Friday. We can alternate because students have

classes on Mondays and Wednesdays and then Tuesdays and Thursdays.

b. Faucette: I agree; I like the idea of alternating the days.

i. We can alternate days, moreover, focused on Tuesday instead because Thursday we have our Senate sessions. We can do locations like Ferrell Commons, etc.

iv. We need at least 2 people at a time for tabling. If you can only help for a portion, like setup or breakdown, that is still very helpful! I encourage everyone to help table.

v. Rosen tabling: 9/17/25 and 11/5/25, 10am-2pm

vi. We are still trying to figure out Downtown tabling, may collaborate with ICTC caucus.

c. Initiative tracker

i. Teodorescu: I talked with Pro Temp Hameed, and I saw there is a Legislative Initiative Tracker from the previous session. Everyone please add your own initiatives to this sheet as soon as you can with all the information you have.

## 11. Member Discussion-

a. None.

## 12. Miscellaneous Business-

a. Icebreaker: If you could pick up a hobby, what would you pick up?

b. Chau: MTIF

i. Faucette: Always wanted to sky dive.

ii. Renda: Been sky diving, want to do it more often.

iii. Gaudio: Collection of Spanish and Civil War firearms.

iv. Teodorescu: I want to be aquaman.

v. Chau: I'd love to pick up fencing, soccer, or volleyball.

vi. Leon: I would love to have the money to foster batches of kittens.

vii. D Smith: I would love to be a free diver.

viii. Perez: I would go back to performing arts.

ix. Hameed: I would love to golf.

x. Leon: Strongly AGAINST cave diving underwater with a family at home.

xi. Ali: Working on arts and crafts projects.
