      - 1. Ladies and gentlemen, thank you so much. Senator Nathan Rickett, part of the College of Graduate Studies. I'm currently getting my Masters in Hospitality Management and Tourism. As many of you may not know, or maybe do know, I actually served in the United States Military. I served for five years. I served in the United States Navy and I served the United States Army. I'm probably one of the only veterans in Student Government. I'm not very sure of anybody else's character of service, but I served honorably. I have three DDT 14S and I've served honorably and in all those capacities. In addition to that, I've also am a designated VA disabled 100%. So did the Department of Veteran Affairs. I would secure my disability for 100%. I've worked with the Student Veterans of America there on campus and I served on the caucus last year. Or excuse me, last last term in the 56th session. So I'm well familiar with what veterans go through, very well familiar about the dependents as well. Currently I'm using the GI Bill. In order to get my education, and I've been blessed enough to have my VA pension, get the GI Bill and go to school for free. So if anybody wants to look at my DD214 or any of my resumes and anything like that, please feel free. And thank you so much, I yield my time.
