 - i) [57-018 Beta Alpha Psi Honorary Accounting Organization](#)
 - (1) Speech
 - (a) President and treasurer of org. Requesting for from Wednesday aug 14. I'm trying to get accounting students to be more involved in the community. Over the last few years, they have found that they have been able to attend due to funding. One of the officers was selected for a case study competition to tackle issues dealing with non-profit organizations. They presented their objectives in the format of a video for platinum status, for the standards they must adhere to. Posted in chat.
 - (2) Questioning
 - (a) Wangen: Did you submit the Loding quote with the request?
 - (i) There is a conference rate that is stated on the website link and calculated based on the rooms that they need. They didn't include the advisor in the report submitted
 - (b) Lipner: How many members will be competing?
 - (i) 4 members will be competing.
 - (c) Lipner: Not all of the members are competing, so the cap would be \$1,500. Would you want to do a bill?

- (i) The bill wouldn't work for the org and things couldn't get booked in a timely manner
- (ii) Lipner: Would it be out of timeline?
- (iii) Sherman: Would be out of timeline
- (d) Lipner: How would you pay without the extra money?
 - (i) They were able to accumulate the money over a couple of semesters, and they have sponsors to help. They have also job fairs and events to help. They are able to reserve funds in the fall semester due to these events.
- (e) Wangen: Are you the only individual going on the trip that is not involved in the competition?
 - (i) I am only involved in one of the competitions but there is another member that is also a part of just one as well.
- (f) Lipner: If the platinum status competition is not being held at the conference, then they could remove the two that are not involved could be removed, and y'all could be approved at the 2,500.
 - (i) I could remove myself and the other person, so that we have the \$2,500
- (g) Lipner: You don't have to do it; I just want you to get the most funding possible.
- (h) Wangen: How much competition is happening during this trip.
 - (i) Most of the competition has already happened. The only thing that would happen is the awards.
- (3) Debate
 - (a) I think we should keep all 6 on and still do the competition trip. The competition may not be taking place for the whole of the competition, but they did a lot of work to help. Leaving at 2,500 for 6 people makes sense. Voting in favor.
 - (b) Smith: I agree with Wangen. He is clearly financially trained and knows what he is talking about.
 - (c) Lipner: Echoing what Wangen said and here that they will be receiving the awards at the competition.
- (4) Vote
 - (a) **8-0-1 Approved**
