a) Allocations

i) [57-025 Priyank Pathak](#)

(1) Allocation was originally restricted to registration and travel because they requested an AirBnB. Since approval, they have received a grant from their department to cover their registration. They have decided to instead book a hotel so the funds that are no longer needed for registration can go towards lodging. On top of saving the student \$163, this will prevent them from reverting that amount and potentially being sanctioned.

(2) Motion to remove lodging restriction approved by GC

ii) [57-038 Juliana Hirn](#)

(1) Speech

(a) Hello, I'm Juliana and I am a graduate student. I'm presenting two presentations at a research conference in Washington, DC in late December. Right now, the cost is just shy of \$2,000.
