c. IRC

- i. Hi guys! We did not meet because of the storm last week but we did do a few things at the previous meeting that I wasn't able to cover during a general council meeting. For one we made it a requirement for justices to receive shadowing in order to take their own impartial advising cases (change was made in 5.02). Also, one of our new initiatives is to create guidelines for impartial advising training. We'll begin this in our next meeting. Also shout out to Sam for being the best vice chair ever!
That's it!

d. JOC
