FERPA Reference Sheet for UCF Staff

FERPA, the Family Educational Rights and Privacy Act of 1974, as Amended, protects the privacy of student educational records. It gives students the right to review their educational records, the right to request amendment to records they believe to be inaccurate, and the right to limit disclosure from those records. Ultimately, an institution's failure to comply with FERPA can mean the withdrawal of federal funds by the Department of Education.

As a Staff Member, you need to know the difference between **Directory Information** and **Personally Identifiable Information or Educational Records**:
