Unfortunately, I did not have the chance to meet with Daniel during the week to speak regarding the changes we made last week, as this week has been quite hectic for me. However, I am shooting to meet with him sometime next week to show him the changes we made last week and the ones we'll likely make today.

## 7. Old Business-

- a. (Essentially completed, pending talk with Daniel) - Suspension should not be on the table for the Chief Justice, it should only lead straight to impeachment if more severe than a public reprimand.

## 8. New Business-

- a. The JRP has the roles for most roles justices hold with the exception of committee vice chairs. I was considering making a rule similar to 4.02 under section 4 but specific to Vice Chairs. I do understand that most of the position is implied and at times duties are mentioned within the committee rules themselves, but I think including a rule right under 4.02 (would then become 4.03) could benefit those unfamiliar with branch and bring clarity.
  - i. Duties that we are thinking about
    - 1. There should be autonomy given to the vice-chair
      - a. Because every committee is different
    - 2. In the case of the absence of the chair
    - 3. Succession?
      - a. Goes through Vice Chair Next?
      - b. Implied that Vice Chair gets kind of priority
  - ii. Rule 4.03 Powers and Duties of the Vice-Chair
    - 1. Sets up expectations for people and in the case of a new council
    - 2. When a vice-chair should be elected?
    - 3. Move line away from 4.02 to 4.03 about chair being elected in the first meeting
    - 4. Should record meeting notes
    - 5. Check updated version of JRP. Talk to Daniel!
  - iii. Get rid of all the vice chair part in the separate Committee.
- b. Review Section 11, Rule 11.02 (2), should we consider implementing language that includes SGLCers? Many of them already spectate parking appeal procedures that occur during general council. I would want the JRP to reflect this. (This change would not be intended to make ALL parking appeals an open meeting for SGLCers, only the one's scheduled during general council.) Would love some feedback from our SGLC coordinators in regards to this.
  - i. Changing the wording?
    - 1. "authorized members"
