5. Announcements from the Committee Chair-

   a. Hey everybody! Good to see you all again. Unfortunately, we did not get to meet last week but I'm glad we all made it out of the storm alright. Again, as we learned previously updates to the website are not something we can do internally so this project is going to probably take a little longer than we thought initially. I have a few things for us to look over for that today, but I also want to discuss some other potential projects as well

   b. Also, the website is now updated! That was Bella's doing not us, but I still think it's cool to look at :D
