8. New Business-

- a. Fiscal decisions!! We are going to look through archive, see some reasons for why stuff was overturned and compile them. Time to set PRECEDENT!
 - i. Extenuating circumstances and business office lack of communication
 - ii. ORS sanctioned the RSO at 25 percent, then President did not attend because of family circumstances
 - iii. We need to make sure that the 3 reasons for appealing is in the form
 - iv. Maybe keep it as a fiscal appeal? We can have the opportunity for us to make an internal decision to go through with summary judgement; not something that is just open for all because this is *special*
 - v. This example does not have an agreement between senate and RSO
 - vi. We are trying to figure out what to do in a situation when they are in agreement and get in good standing
 - vii. They become in agreement when the RSO pays back the business office
 - viii. Is this something that we want to let senate offer to RSO? Yes! Let's change nothing. We just add our internal review
 - ix. We are thinking of making some kind of fiscal appeal precedent; regarding the reduction.
 - x. Stay in the archives, not in language
