 - 1. Proclamation 57-05 is adopted by GC
 - 2. Speech: This proclamation recognizes the tragic events of September 11th, 2001. It honors the lives that were lost that day, including some Floridians. It is similar to the one written last year, with a few added points and statistics.
 - 3. Questioning
 - a. Leon: At the first-year experience meeting it was mentioned that there would be a replica of the stairs. Do you have any information on that?
Kaufman: No, I'm unsure about that. It's something UCF's Military and Veteran Student Success Center is in charge of doing.

- ii. Ariza: Still thinking about initiatives. I am hoping to find a new RSO to partner with an initiative.
 - iii. Simmons: Emailed Chair Renda about initiative and working with Women's Caucus to get a line of communication going.
 - i. Smith: Going to get in touch with ELA Reed about my pamphlet initiative as well as brainstorm another initiative regarding CAH.
 - iv. Nrusimhadevara: Reached out to Rick Falco and I am meeting with him next Thursday at 4pm to discuss my period pantry idea at large.
 - v. Teodorescu: Working on the concern form at the moment and will base what we're working on when responses come in.
 - vi. Renda: Pharmabox is now on campus! Scheduling a meeting with the physician, medical director of the pharmacy, about OPILL-> also working with Planned Parenthood on this.
 - vii. Leon: Spoke to Aramark earlier this week about tabling in 63 South about tailgate season and drink tampering. They have a new operations manager. Christina was out so we had to communicate with a new manager. They mentioned they will speak to their legal team on these initiatives, primarily cups with lids to prevent this from happening.
 - viii. Metellus: I've been working with some people within Greek life to prevent hazing. Worked with Senator Escobar in the previous session about hazing prevention but this past week they are trying to work on hazing prevention awareness. A lot of people associate hazing with Greek life but it extends to other clubs here so this preventative measure will aid with this issue.
