1. Speech

- a. I am filling out this FAO funding request for Global Medical Brigades. We travel to two foreign countries every year to provide free healthcare and health education to underprivileged communities. In 2025 we traveled in Honduras and Belize where we helped treat over 150 patients across both countries. In May of 2026 we will be traveling to Greece to provide accessible health care to refugees. In August of 2026 we will be traveling to Guatemala to help care for communities in Xecoxol, Auga Escondida, and Pachaly. We also offer local volunteer opportunities and professional development workshops to pre-health students here in Orlando throughout the school year.

- b. I have submitted a request for 150 drawstring bags that would be given out at tabling events and to our members through the semester. We gave out 85 tote bags during Opening Knight and hope to continue to give out promotional items during the tabling events we will RSVP for with KORT and CAB. Our drawstring bags amounted to 547.50 dollars before taxes. The design of the tote bags has the name of the organization and abides by all the requirements listed on the FAO form.
