(a) I am the president of this org. We want to request funding for an important conference. I'm Jeremy. \$7,719.77 for the trip. Largest conference in our field in San Francisco. Very large, split into 5 subsections. Get networking. We have two students that went last year that have jobs. We have several sponsors so we will have our half covered by them. This is big for our undergrad students. We are sending 10 students for an opportunity that they wouldn't have. Get networking opportunity and to see their degree applied in the real-world.

(1) Speech

- (a) I am the president. We are requesting \$11,764. Hosted next year in San Francisco. One of the largest game development conferences. They have hosted 750 sessions. Around 1,000 speakers. We are trying to provide an opportunity for 17 students to go to a lower cost. \$1,000 in outside funding from student dues.

(2) Questioning

- (a) Trejo-Hernandez: How did you select the members going?
  - (i) Through an interesting form.
- (b) Lipner: Do you have any backups?
  - (i) We don't have any backups
- (c) How will you cover the rest?
  - (i) Once we get approved, we have a payment plan that we are setting up. The main issue is the conference opens their ticket sell in late October. Our goal is to purchase our tickets at an advanced rate.
- (d) Lipner: How was the flight rate chosen? Why did you use Expedia?
